

San Bernardino Community College District Strategic Planning Committee
Working Set of District Strategic Directions and Goals with College Goals and Objectives
April 18, 2010

12A

Below is a draft of the *Working Set*, including both Goals and Objectives/Outcomes/Benchmarks from the Colleges. The draft will be revised as the Committee reviews information, considers input, discusses issues, identifies gaps, and receives feedback. Changes from the previous version will be highlighted in the table.

The Accrediting Commission’s recommendations to both Colleges require the District to develop a Strategic Plan that “acknowledges input and aligns with the colleges’ educational plan and serves as a guide for planning at the college level.” The contents of this draft incorporate input from the Colleges’ plans and align with those plans, and the final District Strategic Plan will serve as a guide for further planning at both Colleges.
