Welcome to San Bernardino Valley College!

"Change," the campaign buzzword this past election year, really can be a good thing. Exciting changes are taking place at SBVC. Our campus is under construction as new buildings are built and older buildings are demolished.

Yet some of the best things in life don't change, like SBVC's reputation for preparing high-caliber graduates for both successful careers in the workplace and transfer to four-year colleges. In fact, our university partners tell us that their SBVC transfer students often earn better GPAs in school than their native students, while many of our technical/professional career graduates report strong employment rates and competitive salaries.

SBVC couldn't enjoy such stalwart success without highly qualified faculty, caring support services, and counselors/advisors who tirelessly keep abreast of curriculum changes. I must, however, take a moment to recognize those who work daily behind the scenes: those who make sure that the campus is clean and its grounds lovely; who operate our theatre, planetarium, and art gallery; who schedule rooms and classes; who keep our computers running; and who make sure financial aid checks are ready. This kind of dependability needs no changing, even when our surroundings, programs, and services change for the better.

Welcome to San Bernardino Valley College where your future starts here.

Bienvenido a San Bernardino Valley College!

"Cambio," el slogan de la campaña electoral de este año pasado, puede ser una buena cosa. Cambios interesantísimos están ocurriendo en SBVC. Nuestro colegio universitario está bajo construcción erigiendo nuevos edificios y derrumbando los antiguos.

A pesar de ésto algunas de las mejores cosas en la vida no cambian, como la reputación de SBVC de preparar graduados de alto calibre para ambas carreras exitosas en la industria y para transferencia a universidades de cuatro años. En efecto, nuestros colegas universitarios nos dicen que sus estudiantes que se transfirieron de SBVC frecuentemente obtienen mejores puntajes académicos que sus propios estudiantes, mientras que muchos de nuestros graduados técnicos y profesionales obtienen altos niveles de empleo y sueldos competitivos.

SBVC no podría disfrutar de tan superior éxito sin una facultad altamente calificada, los esmerados servicios de soporte, y consejeros que trabajan infatigablemente para mantenerse al tanto de los cambios en el currículo. Yo debo, además, reconocer a aquellos que laboran diariamente detrás de las escenas: aquellos que se esmeran para que el colegio universitario esté limpio y que tenga bellos jardines; aquellos que manejan nuestro teatro, planetario, y la gallería de arte; aquellos que programan los salones y las clases; aquellos que mantienen nuestros computadores operando; y aquellos que se aseguran que los cheques de ayuda financiera estén listos. Este tipo de dependibilidad no necesita cambio, aún cuando a nuestros alrededores, programas, y servicios cambian para lo mejor.

Bienvenido a San Bernardino Valley College donde su futuro empieza aquí.
