RECOMMENDATIONS:

CCR 1424(B)(1). The nursing program shall have a written plan for evaluation of the total program, including admission and selection, attrition and retention of students, and performance of graduates in meeting community needs.

- 1. Continue updating and revising Total Program Evaluation to enhance data collection, analysis, and application to better validate program processes.*

CCR 1424(d). The program shall have sufficient resources, including faculty, library, staff and support services, physical space and equipment, including technology to achieve the program's objectives.

- 2. Consider alternative funding sources to provide for full-time Simulation Laboratory Coordinator, Simulation Laboratory Technician, Nursing Success Counselor, and Remediation Specialist positions.*

CCR 1424(g). Faculty members shall have the primary responsibility for developing policies and procedures, planning, organizing, implementing and evaluating all aspects of the program.

- 3. Revise and clarify responsibilities and functions of the various program committees including Faculty (RN Program Meeting), Curriculum, PEAR (Promotion, Enrollment, Attrition, and Retention Committee), and Program Evaluation Committee (Total Program Evaluation Committee) to better meet program objectives.*
