

June 10, 2020

Dear colleagues,

On behalf of the Chancellor's Cabinet, we would like to invite you to a district-wide forum, "An Open Conversation About Race, Healing and Action." This forum is designed for all SBCCD employees, and we will have five opportunities for engagement. Each session will be limited to 50 reservations to allow us to hear from all participants.

The purpose of this meeting is to reimagine our districtwide culture so that our employees and students feel safe, respected, and valued. We have an equal employment opportunity plan, student equity strategies, and policies that affirm the importance of diversity.

Can we do things differently and better? We want to hear from you.

Register in advance for one of the five dates offered:
