11/7/2019 10:11 PM [Add tags](#) - [View respondent's answers](#)

11/6/2019 1:34 PM [Add tags](#) - [View respondent's answers](#)

I loved the breakout sessions, but there were so many good topics and not enough time. The booklist/podcast exchange was brilliant. PS: Food was fantastic.
11/4/2019 5:58 PM [Add tags](#) - [View respondent's answers](#)
CURRENT

I really liked the location (Crafton is just beautiful, and there were lots of little places to go with our small groups), also the food (both the quality and availability).

CURRENT

Even though I didn't eat the meat, the food was amazing! Also I really enjoyed meeting new faculty members outside of my department.

11/4/2019 1:04 PM

Q6

For next year, what would you like to see changed/improved?

Not really, Continue the great job that you are all doing and thank you all the organizer and the team leaders!

11/10/2019 8:55 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

We need a room with better acoustics. The activity where we meet someone new is good, but introducing one another to the whole group takes too long out of a one-day conference and it is too much passive listening time. The activity could be made more active if you kept us on the move, with the goal to introduce ourselves as new friends to three other pairs, or something along that line. Always thinking about how to innovate, right?

11/8/2019 12:06 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

Some of the plenary activities seemed to take very long waiting for everyone to speak. Maybe only take volunteers?

11/7/2019 10:49 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

I'd like to teach faculty more about Growth versus Fixed Mindset. I'd also like training on how to deal with difficult people (which may be students, faculty and staff).

11/7/2019 10:11 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

I would like the opportunity to learn more about how to best become a full-time faculty member. Additional time to discuss the recommendations of how to become more involved with Academic Senate as an adjunct.

11/7/2019 1:57 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

At the moment, I cannot think of any change or improvement.

11/6/2019 3:23 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

Agenda, workshops to choose from. At least part of the day.

11/6/2019 1:34 PM [Add tags](#) - [View respondent's answers](#)

CURRENT

May be somewhat of a formal agenda.

11/6/2019 11:49 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

Maybe the amount of time.... still very effective
11/6/2019 11:12 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

More emphasis on teaching and less emphasis on community building.
11/6/2019 11:09 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

I was not able to attend.
11/6/2019 11:04 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

Though I found the large group activities fun and useful I think it took too much time away from deeper conversations in smaller groups.
11/6/2019 11:01 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

I cant think of anything.
11/5/2019 10:40 AM [Add tags](#) - [View respondent's answers](#)
CURRENT

More people, more break out sessions, shorter sessions.
11/4/2019 10:12 PM [Add tags](#) - [View respondent's answers](#)
CURRENT

More time for attending break-out sessions, and attending more of them. Put a place for sharing emails and an attendee list to remember all the wonderful participants
11/4/2019 5:58 PM [Add tags](#) - [View respondent's answers](#)

People need to commit to the entire event and stay within the group during session. This year there were many early departures and late arrivals and in-and-out of session while it was going on to socialize with colleagues.

Not just having one location to have this event. Each year having somewhere else to have this event held.

The main room had too much of an echo. I love having the retreat so close to home but really struggled to hear when we were all in the room together. Great job by the Professional Development Team!

The survey would not allow me to submit without answering the other questions so I just marked excellent on those questions.

11/6/2019 11:04 AM [Add tags](#) - [View respondent's answers](#)

CURRENT

Moderators need to be more assertive in keeping the group on track in their discussion. This was my first time attending and I think it was a great idea. This should be implemented on campus for department networking or during flex day/orientation. I feel I now know the attendees better than my own colleagues.
