## Basic Automotive Collision Repair and Refinishing Certificate

Students working for certificates must have a basic knowledge of arithmetic, reading and writing in order to learn and work in the occupations they select. This certificate is designed to prepare students for entry-level work as an auto collision repair and painter apprentice, or in related areas of an automotive dealership or shop, such as chassis, front end, or frame repair, and parts counter clerk.

REQUIRED COURSES	UNITS
AUTO 020 Non-Structural Body Repair	6
AUTO 022 Non-Structural Collision Repair	6
AUTO 024 Structural Analysis and Damage Repair	6
AUTO 026 Auto Collision Refinishing	6
<b>TOTAL UNITS</b>	<b>24</b>

## Advanced Collision Repair and Refinishing Certificate

This certificate is designed to prepare students for entry-level work as an auto collision repair technician and/or painter apprentice beyond the Basic Automotive Collision Repair and Refinishing Certificate and to prepare students for the Automotive Service Excellence (ASE) certification test.

REQUIRED COURSES	UNITS
AUTO 020 Non-Structural Body Repair	6
AUTO 022 Non-Structural Collision Repair	6
AUTO 024 Structural Analysis and Damage Repair	6
AUTO 026 Auto Collision Refinishing	6
AUTO 030 Mechanical for the Collision	4
AUTORS 010 Basic Vehicle Restoration	4
<b>OR</b>	
AUTOST 010 Beginning Street Rod Construction	4
<b>TOTAL UNITS</b>	<b>38</b>

AUTO 020 may be waived through Articulation 2+2 program with prior agreement with the Auto Collision and Refinishing instructor. This is a Gainful Employment Program.

## Program Overview

The Comprehensive programs at SBVC provide the students with the foundation of the basics in Automotive Collision & Refinishing Repair. The student is given the opportunity to develop the needed skills to begin their career in this high tech automotive field, with the emphasis on theory and hands on training. Instruction supports the students needs, from the very basic fundamentals to the upgrade technical skills of the practicing technicians and preparation for ASE and I-CAR certifications. This vocational program is offered with the intent to give men and women expanded opportunities to learn skills which ensure economic security, job satisfaction and a chance for advancement in the collision industry.
