Subject: Accreditation ISER First Read
Date: Monday, May 4, 2020 7:22:15 PM
Attachments: [5.3.2020 SBVC ISER \(2\).pdf](#)

Hello College Council Members,

Please find attached the ISER final draft for first read for your constituencies or committees. The first read should be ajenized or emailed prior to the end of the semester. The final draft for the second read will be released In July and go out to constituencies and committees for approval in early August.

A few FAQs about the first read

Why are some charts and graphs missing? Some charts and graphs still need data from spring 20 and we are waiting until that information is available before putting it in the ISER.

Can information still be added to the ISER? Yes, absolutely send the information to James Smith or myself and reference the page number and line number where the information goes.

Can correction still be made to the ISER? Yes what absolutely send the information to James Smith or myself and reference the page number and line number where the information goes.

What will happen with the ISER over the summer? During summer all the evidence for ISER the will be, organized, scanned and linked into the document. Final editing to correct any grammatical or spelling errors will take place.The ISER will be fully formatted with pictures included.

Happy Reading,

Thank You, Celia

Celia J. Huston, M.L.S, Ph.D.
Academic Senate President
Faculty Lead, Accreditation
