Good morning,

It's that time of year where we are beginning the process of updating our catalog for the 2018/2019 Academic Year! Similar to last year, I would like to meet with you to review your departments to ensure accuracy before publishing. The link below will send you directly to the current catalog, if you would like to review this prior to our meeting. Please let me know the day/time/location you are available, and we can schedule our meeting.
