Another option for students is to complete at SBVC, an AS-T in Film, Television, and Electronic Media commonly known as a transfer degree. Students should be aware an AS-T does not guarantee transfer to a CSU of the student's choice. Rather, the degree guarantees transfer to a CSU that offers a "similar" degree. For a list of CSUs that offer similar degrees, students may visit the following website: <http://www.sb1440.org/Counseling.aspx>. Students need to insure that they have included the CSU graduation requirement in U.S. History and American Ideals as part of CSU GE-Breadth requirements. SBVC courses that meet this requirement are: POLIT 100 **AND** HIST 101 or 102 or 137.

This guide sheet is based upon university course articulation and catalog information at the time of publication. **Note that students are responsible for the current major requirements upon transfer to the university.** It is advisable to consult with a counselor once a semester for any changes that may occur.

In addition to major requirements, students are advised to complete general education requirements. Applications for admission to the transfer universities are evaluated for completion of lower-division major and general education requirements. The Intersegmental General Education Transfer Curriculum (I.G.E.T.C.) is for UC and CSU transfer students. The CSU General Education Breadth (CSU GE-Breadth) requirements are for CSU transfer students. ***Note that many independent universities accept IGETC and CSU GE-Breadth as meeting their lower division general education requirements.***
