University transfer information

California State Universities (CSU)

The California State University offers an extensive selection of undergraduate majors, offering undergraduate education with practical application in mind.

University of California (UC)

The University of California offers a wide variety of undergraduate majors and stresses on research and academic inquiry as major component of the undergraduate experience.

Association of Independent California Colleges and Universities (AICCU)

AICCU colleges and universities offer programs in more than 100 locations across California, contributing to the betterment of the state in many ways, especially through:

- Providing access to quality higher education for California's diverse population.
- Creating highly skilled workers to successfully compete in the global economy and assure California's continued leadership in it.
- Investing over \$20 billion annually in the state and employing over 88,000 Californians.
