Distance Education continues to accept enrollment into Online Instruction Training Level 1 sessions. The September session is in full swing and the October session is now full. We have two more sessions for the remainder of this semester. If you are interested in enrolling, consider registering sooner than later. We will track enrollment and assess need for additional training session offerings accordingly.

Please see the attached flyer for the remaining fall dates for Level 1 training. Our next available starting date is Monday, December 2, 2019. Again, the flyer contains links to the online registration. Choose a date, click and register.

Should you have questions, comments or concerns, contact your Distance Education Faculty Co-Leads, Davena Burns-Peters and Margaret Worsley, at sbvcdistanceed@sbccd.cc.ca.us. We look forward to working with all of you.
