Orientation

[Home](#) / [Student Services](#) / [Counseling](#) / [Student Success](#) / [Orientation](#)

If you are a first-time college student, you are usually unfamiliar with colleges. The orientation to college will help you to learn about our college: its course offerings and services, campus culture and student life, student rights and responsibilities, etc.

Having applied for admissions and received your Valley College student ID number, you are ready to take an online orientation to the college and the guided self-placement. These two matriculation activities are mandated by the ***Student Success Act of 2012***.

Please view the on-line orientation to the college before taking the guided self-placement.

To start your online orientation, take the following Steps --

- Visit www.valleycollege.edu/webadvisor
- Log in
- Scroll down the Current Student Menu
- Choose **SBVC--Other Services**
- Select **SBVC On-line Orientation**
