

SPRING 2017

ADJUNCT ORIENTATION

Jan. 11, 2017

Our Mission:

San Bernardino Valley College maintains a culture of continuous improvement and a commitment to provide high-quality education, innovative instruction, and services to a diverse community of learners. Its mission is to prepare students for transfer to four-year universities, to enter the workforce by earning applied degrees and certificates, to foster economic growth and global competitiveness through workforce development, and to improve the quality of life in the Inland Empire and beyond.

BREAK-OUT SESSIONS

Campus Safety—Breakout Sessions #1 & #2 PS107

Overview of best safety practices for various incidents on campus. Learn how to prevent sexual assault, dating violent and stalking. Presentation will also cover bystander intervention and learn some of signs of distressed/troubled students and what you can do

Chemical Hygiene Training— Only During Breakout Session #2 (4:00pm-4:50pm) PS 229

Chemical hygiene training provided by Michelle Campbell, Citadel, Industrial Hygienist. **This is a mandatory once-per-year safety training for all faculty who teach in biology or chemistry but is open to all interested faculty and staff.** District safety policies and practices regarding chemicals and site-specific equipment will be reviewed.

Essential Library Resources for Faculty and Students Breakout Session #1 & #2 LIB 109

Materials essential to student success are easily accessed and provided by the SBVC Library at no charge! At this workshop you will discover how easy it is to use the college's rich resources which include databases that enable students both remote and on-campus access to authoritative electronic books (including Reference sources), journals, periodical/newspaper articles, and print materials.

Understanding Disabled Student Service (DSPS) Breakout Session #1 & #2 PS147

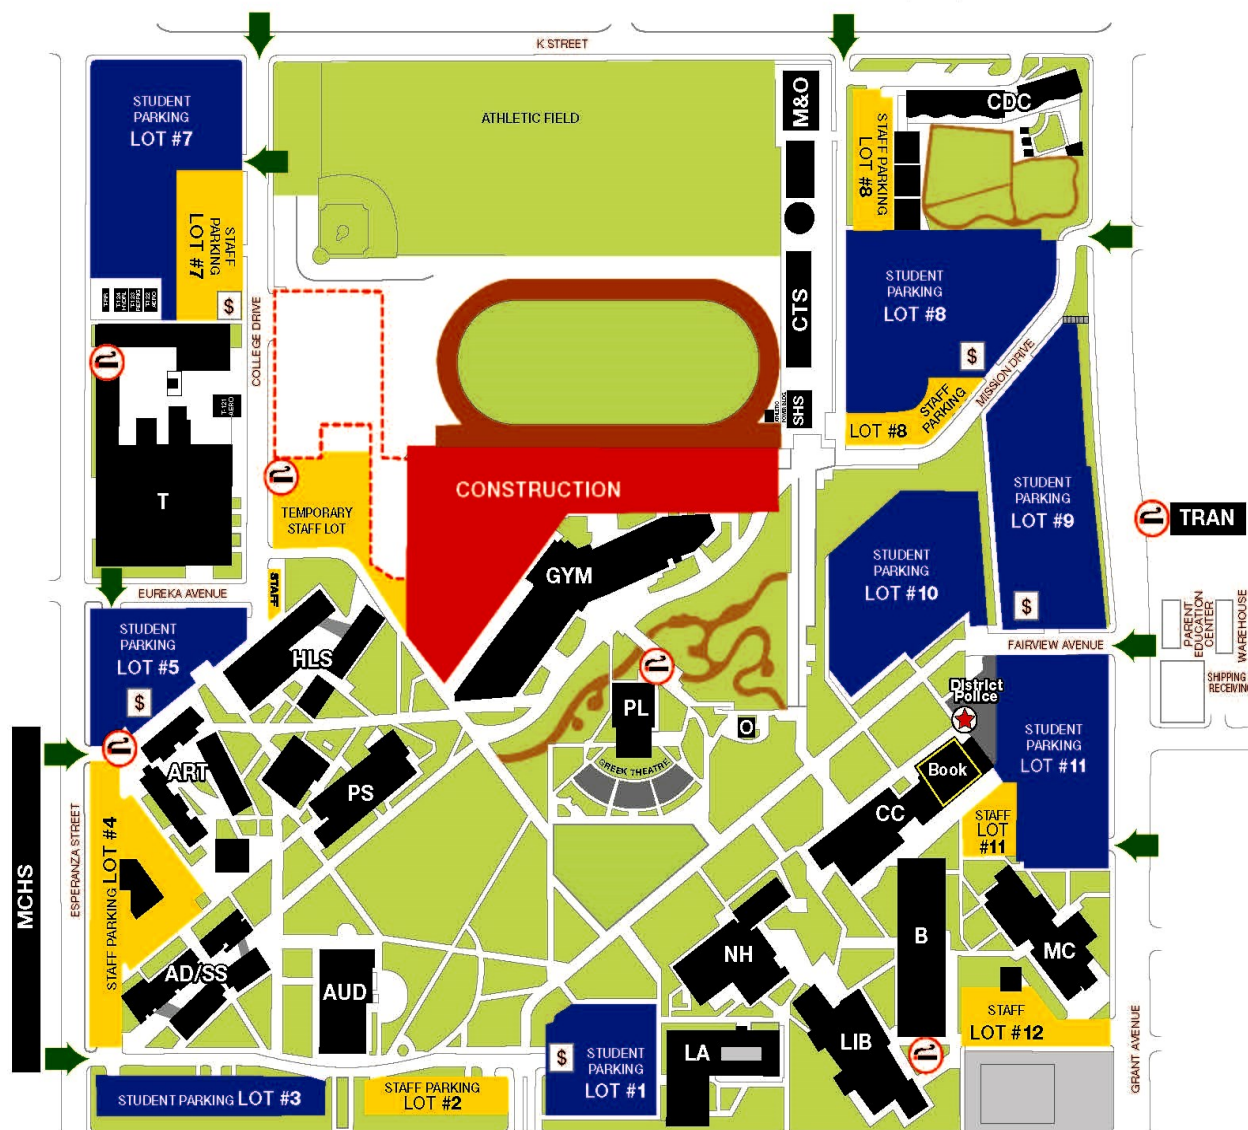

This workshop is designed to inform faculty of the role of DSPS in a community college setting. Specific topics that will be addressed will include understanding test accommodations for students, Deaf/Hard of Hearing students, and students with learning disabilities.

OER— What is it and Why Should I Care? Breakout Session #1 & #2 ART144

The open education movement is here to stay and will soon be impossible to ignore. Discover how you can incorporate open educational resources (OER) into your classes to help students succeed and save money. Learn how to identify and distinguish between the different types of openly licensed resources
