Online Learning Plan

[Home](#) / [About SBVC](#) / [Campus Committees](#) / [Online Program](#) / [Opcplan](#)

The Online Program Committee developed a plan to organize the activities and concerns regarding online learning at SBVC. This document is reviewed at the beginning of each semester and adjusted according to the needs and the pressures of the moment. Thus, the plan is a living document, continually evolving. The structure of the plan is seen in the navigation buttons on the right of the window: Introduction; Planning Principles; I. Institutional Context and Commitment; II. Curriculum and Instruction; III. Faculty Support; IV. Student Support; V. Evaluation and Assessment.

The goal of this portion of the website is to make the work of the Online Program Committee transparent and to facilitate dialogue around online learning at SBVC.
