Welcome to the SBVC Foundation!

We believe everyone should have an opportunity to go to college. Through its work, the San Bernardino Valley College Foundation supports SBVC in its mission to provide high-quality education, innovative instruction, and services to a diverse community of learners. As students continue to earn degrees and certificates, SBVC fosters economic growth and improves quality of life in the Inland Empire and beyond.

How can YOU help students?

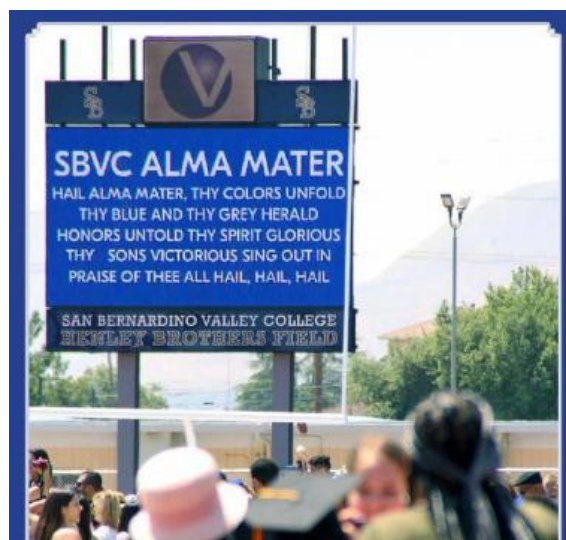

SBVC students are grateful for the direct support provided by scholarships. The SBVC Foundation also helps college programs with equipment, supplies, and activities to enrich the student experience. If you are interested in helping students achieve their educational and career goals, the SBVC Foundation can help!
