The Radio/Television/Film Department offers a comprehensive instructional program in radio and television broadcasting, digital film production, and digital audio and video production for use in multimedia and Internet applications. The department provides a two-year curriculum for students majoring in the field resulting in the Associate of Arts Degree and/or transfer to a four-year institution and provides elective courses for students interested in related fields such as marketing, journalism, theater arts, multimedia, web page design, and data communications. The instructional program includes internships at local stations and businesses, on-air experience using the facilities of the student radio station KJRP and public television station KVCR-TV, which is licensed to the San Bernardino Community College District.

Core competencies emphasized by courses in this department:

- Read and retain information
- Write clearly
- Employ vocabulary of the subject studied
- Find and interpret information
- Utilize technology to organize and present information
- Demonstrate working knowledge of basic computer function
- Apply learned knowledge to new situations
- Demonstrate creative thought through original expressions
