

San Bernardino Valley College (SBVC) **Intersegmental General Education Transfer** Curriculum (IGETC)

Completing the Intersegmental General Education Transfer Curriculum (IGETC) will allow a student to transfer from SBVC to a campus in either the University of California (UC) or the California State University (CSU) system without the need to complete additional lower-division general education courses. The IGETC is not an admission requirement for transfer to UC or CSU, nor is it the only way to fulfill lower-division and general education requirements prior to transfer.

San Bernardino Valley College maintains a culture of continuous improvement and a commitment to provide high-quality education, innovative instruction, and services to a diverse community of learners. Its mission is to prepare students for transfer to four-year universities, to enter the workforce by earning applied degrees and certificates, to foster economic growth and global competitiveness through workforce development, and to improve the quality of life in the Inland Empire and be Effective: Fall 2018 - Summer 2019
