

San Bernardino Valley College (SBVC)

Intersegmental General Education Transfer Curriculum (IGETC)

2016-2017

Completing the Intersegmental General Education Transfer Curriculum (IGETC) will allow a student to transfer from SBVC to a campus in either the University of California (UC) or the California State University (CSU) system without the need to complete additional lower-division general education courses. The IGETC is not an admission requirement for transfer to UC or CSU, nor is it the only way to fulfill lower-division and general education requirements prior to transfer.

The 10 University of California (UC) Campuses

The 23 California State University (CSU) Campuses

Note: IGETC may not be recommended for all majors. Students planning to transfer with a Science, Technology, Engineering or Math (STEM) major are advised to work closely with a SBVC Counselor to plan which lower-division major preparation and general education courses are needed to transfer.

Visit <http://admission.universityofcalifornia.edu> for transfer admission information and requirements.

Visit www.csumentor.edu for transfer admission information and requirements.

Important Information

1. Apply for admission EARLY during the filing period!

- a. Refer to <http://admission.universityofcalifornia.edu/how-to-apply/dates-deadlines/> for UC application submission deadlines.
- b. Refer to www.csumentor.edu/filing_status/ for CSU application submission deadlines.

2. Minimum of sixty (60) UC transferable semester units (IGETC requirements and major preparation courses) are required to transfer in upper-division (junior) status.

- a. All courses must be completed with a "C" or better grade.
- b. Courses may be counted in one GE area only, with the exception of Area 6A: Language Other than English (LOTE) requirement for UC's.

3. Students with AP/IB/CLEP examinations will receive appropriate IGETC area credit according to The IGETC Standards, Policies and Procedures.

Refer to SBVC Catalog for complete list.

4. Students must request official certification of IGETC requirements at the SBVC Admission & Records (A&R) Office.

- a. When a course is approved for IGETC, it applies for certification starting with the year of approval and ending when it is removed.
- b. Students may receive full or partial certification. Partial certification is defined as completing all but two courses from any area except those listed in Areas 1 and 2.
- c. SBVC will certify coursework from other campuses according to the IGETC list of the originating campus.
- d. Official transcripts from high school and other colleges and universities must be on file at the SBVC A&R Office.
- e. Courses from foreign institutions are not permitted to be certified except for the Language Other than English (LOTE) requirement.
