CIP SOC Crosswalk

We utilized the CIP SOC Crosswalk to determine which SOC Code we would assign to our Water Resource Management BA Degree. Discipline experts determined the 51-8031 SOC Code would best suit this program.

| | | | |
|---------|--|---------|--|
| 15.0506 | Water Quality and Wastewater Treatment Management and Recycling Technology/Technician. | 17-3025 | Environmental Engineering Technologists and Technicians |
| 15.0506 | Water Quality and Wastewater Treatment Management and Recycling Technology/Technician. | 19-4042 | Environmental Science and Protection Technicians, Including Health |
| 15.0506 | Water Quality and Wastewater Treatment Management and Recycling Technology/Technician. | 51-8031 | Water and Wastewater Treatment Plant and System Operators |

Other

Transfer Bound

Conducting a database search through Los Medanos College's Transfer Major Explorer came back with no results for comparable programs in Water Resource Management.

The logo for Los Medanos College, featuring the text "LOS MEDANOS COLLEGE" in a serif font, with "LOS MEDANOS" on the top line and "COLLEGE" on the bottom line, both enclosed in a thin rectangular border.

State of California Employment Development Department

In a review of the Training Program Summary for Water Quality & Wastewater Treatment, the results showed most of the training programs in the State of California are offered through Community Colleges and through private sectors. California State University, Long Beach and Humboldt State University are the only four-year colleges that offer comparable programs. The program and California State University, Long Beach is a certificate program and the program offered at Humboldt State University is a Master's Degree.
