

## Credit for the College Level Examination (CLEP) Program

The College-Level Examination Program (CLEP) gives college students the opportunity to receive college credit for what you already know by earning qualifying scores on any of 33 examinations. Earn credit for knowledge you've acquired through independent study, prior course work, on-the-job training, professional development, cultural pursuits, or internships. Information can be found at: <http://www.collegeboard.com/student/testing/clep/about.html>.

A student must be enrolled at San Bernardino Valley College to receive course credit for CLEP Examinations. Credit will not be granted for courses in which equivalent or more advanced course work has been completed. Students will receive appropriate credit for CLEP

examinations, for which faculty have determined equivalent to SBVC courses and/or graduation requirements. Students should be aware of the following

1. University of California does not accept CLEP Examinations.
2. Students should be aware that acceptance of CLEP varies at campuses of the CSU.
3. At SBVC, credit for CLEP Examinations is on a pass/no pass basis only; no letter grades are assigned.
4. Some CLEP Examinations may be under review at SBVC. CLEP scores for examinations no longer offered are evaluated on an individual basis.
