

ADMISSION AND REGISTRATION PROCEDURES

Step 1: Be admitted as a student.

You are a **CONTINUING** student if you were enrolled in classes at SBVC during the Spring or Summer 2005 terms. If you are a continuing student, skip ahead to Step 3!

You are a **RETURNING** student if you have attended SBVC in the past but did not enroll during the Spring or Summer 2005 terms. If you are a returning student, fill out the application found on pages A-D of this schedule. Bring it to the Admissions and Records Office in the AD/SS Building (Room 100). Once the Admissions Office has reactivated your status as a SBVC student, you can go to Step 3.

You are a **NEW** student if you have never attended SBVC. If you are a new student, either:

1. Fill out the application found on pages A-D of this schedule. Mail or bring it to the Admissions and Records Office in the AD/SS Building ; **or**,
2. Log on to www.valleycollege.edu and click on the link that will take you to the online application. You may download a copy of the application and complete it or you may complete the application form online. Once you have completed the application, you will need to submit the signature page to the Admissions and Records Office. When your signature has been received, you will be cleared to register for classes. Signed forms may be submitted by mail or in person.

Note: Applications must be submitted to the Admissions and Records Office and cleared before registering for classes online or by telephone.

If you are a high school junior or senior applying to attend both SBVC and high school concurrently, you must submit: 1) the application found on pages A-D of this schedule, 2) a Special Student Attendance form (available from the Admissions and Records Office or from your high school counselor), and 3) an official, sealed copy of your high school transcript. Additional information about enrolling while concurrently attending high school is found in the SBVC College Catalog.

If you are a public school student below grade 11, use the following steps:

- Parents must petition in writing to the Vice President of Student Services.
- The public school district of residence must grant approval in writing.
- Student must have proof of an overall high school 3.0 GPA or better as verified by an official transcript (except for students enrolling in Vocational Education courses).
- Must submit a Special Student Attendance Approval form.
- Must register in transfer level courses only (courses numbered 100-200).
- Must submit official high school transcript each semester while attending SBVC.

- Courses cannot duplicate courses currently available in their high school.

Step 2: Sign up for Assessment.

When you submit an application for admission in person, you will be able to choose a date and time for Assessment. All new students are **required** to participate in Assessment unless specifically exempted from this process. Taking the Assessment test will enhance your educational planning when you meet with a counselor.

If you mail your application or apply online, you must contact the Admissions and Records Office at (909) 384-4400 to make an appointment for Assessment. To get an appointment for the Ability-to-Benefit (ATB), please go to Financial Aid (AD/SS Building, Room 106).

Report at least fifteen minutes early on the assessment date you have chosen. Bring your appointment card with you as well as a photo ID (driver's license or school ID) and Social Security number or school ID number to take the Assessment test.

You may be exempt from Assessment if:

- You have an associate degree or higher from an accredited college or university; **or**,
- You have earned a score of 3 or higher in Advanced Placement Tests in **both** math and English; **or**,
- You have proof of taking an Assessment test at another California Community College within the last three years; **or**,
- You are taking courses for career advancement, to improve job skills, or to maintain certificate or license requirements **and** the courses you are taking do not require the math or English prerequisites; **or**,
- You are taking courses only for personal enrichment **and** are enrolled in 6 or fewer units in courses that do not have a math or English prerequisite **and** you have not completed more than 12 units total at the college.

You may be exempt from the English Assessment if:

- You received a grade of "C" or better in a prerequisite English course at the college level.

You may be exempt from the math Assessment if:

- You received a grade of "C" or better in a prerequisite math course at the college level within the last two years.

Here are questions students most often ask about Assessment:

Why is the Assessment required?

Assessment will place you in proper English, reading, and math courses. After your assessment is processed, a counselor will help you select appropriate courses for the semester and begin your educational plan.

If I don't do well on the Assessment, will I still be able to attend San Bernardino Valley College?

Yes. This is not a pass/fail exam. It is a tool to help you and the counselor make appropriate educational plans.

How long will Assessment take?

Approximately three hours.

What if I need accommodations to complete the test?

If you have a learning or physical disability that requires reasonable accommodation to complete the Assessment test, please contact Disabled Students Programs and Services, located in AD/SS Building, Room 105.

Do other colleges require Assessment?

Yes. Every community college in California is required to assess all new students. Most four-year colleges and universities also require an assessment of basic skills.

Step 3: Select your classes.

Take time to look through the list of course offerings in this schedule or at the eSchedule on our website. As you make your selections, think about the hours in the day you have available to take classes. If you would like help selecting your courses, stop by the Counseling Center in the AD/SS Building, Room 103. During the fall semester, counselors are available Monday through Thursday, 8:00 a.m. to 7:00 p.m., and Friday, 8:00 a.m. until 4:00 p.m.

If you wish to enroll in English, math, or another course that requires a prerequisite, you must satisfy the prerequisite before you will be permitted to enroll in the class. See page 5 for additional information about prerequisites.

For help in selecting first semester classes in a vocational program, see a counselor and/or refer to page 148 for a list of vocational advisors.

Remember to select some alternate courses, in case your first-choice classes are already closed by the time you register.

Step 4: Calculate your fees.

Each course listed in the schedule will tell you how many semester "units" of credit have been assigned to it. Your fees will be based on these units. Use steps A, B, C and D below to do a preliminary calculation of your fees:

- A. If you are a resident of California, multiply the number of units you will be taking by \$26 and enter the total here: _____
(Example: If you are taking 6 units, the total will be \$156.)

Note: If you are not a resident of California, multiply the number of units by \$177. Students who are both citizens and residents of a foreign country will also be required to pay a Capital Outlay fee of \$15 in addition to the non-resident fee.

- B. Add the required Health Fee of \$13.
- C. Add the required Student Center fee. To do this, multiply the number of units you will be taking by \$1 per unit. (Example: If you are taking 3 units the fee will be \$3.) The maximum amount paid per semester for the Student Center fee will be \$5. The computer will keep track of this for you.
- D. Add a \$1 Student Representation fee. (This fee may be waived for moral, financial, political, or religious reasons.) Use the fee payment coupon to note your reason for requesting a waiver for this fee.

Add the totals of items A, B, C and D above:

A) _____ + B) \$13 + C) _____ + D) \$1 = _____ .

Your preliminary calculations will be confirmed when you register by telephone or on the web.

You will also be given the option of purchasing an Associated Student (AS) Discount Sticker for \$5. If you decide to purchase an AS Sticker, you will be able to attend many sporting events, dances and other campus activities for free. In addition, you will receive discounts from many area businesses when you show your AS Sticker. Finally, showing your AS Sticker to the campus Bookstore cashier will enable you to receive 5% discount on the cost of your textbooks!

Do you need financial assistance to attend college?

You may be eligible for a fee waiver (Board of Governor's Waiver) if you or your parents qualify according to one of the following:

- Low income
- CalWorks/TANF recipient
- SSI recipient
- Veterans
- Child or spouse of disabled or deceased veteran

A fee waiver form is found on pages 127 and 128 of this schedule. Bring this form to the Financial Aid Office in the AD/SS Building for additional instructions and advice on how to proceed in obtaining a fee waiver. The fee waiver must be processed 24 hours prior to registering by telephone or the web.

The Financial Aid Office has a variety of other programs that may assist low-income students in reaching their goals. See page 130 for more detailed information.

Step 5: Make a date!

The first two weeks of web or telephone registration are open to students according to specific categories. These categories have been created to make your registration as easy as possible. Use the information in this schedule to identify the first day you will be able to register by web or telephone.

IMPORTANT NOTICE: You can register by web or telephone on your assigned day or any day thereafter. You cannot register before your assigned day. Since classes are filled on a first-come, first-served basis, it is

recommended that you register as soon as your date becomes available.

Step 6: Register by Web or Telephone.

You may register on the web at www.valleycollege.edu or by phone at (909) 888-1996.

In order to avoid lines, students are encouraged to register and pay by web or telephone. Incomplete applications, outstanding financial obligations, or Academic and Probationary issues may cause the system to disallow registration.

- Page 7 Web/Telephone Registration Schedule
- Page 8 Telephone Registration Instructions
- Page 9 Web Registration Instructions

Step 7: Pay your fees.

If you register before the semester starts and your payment is not received within five working days, your reserved place in your classes **may be dropped**. After the start of the semester you must pay at the time of registration. There are four ways to pay for classes:

Option One:

You may use a **credit card** (Visa or MasterCard) to pay fees when using the web or telephone registration systems. Print a copy of your SBVC registration schedule and verify withdrawals from your credit card provider for errors.

Option Two:

You may use the **U.S. mail** to submit your fee payment coupon (found on page 7), along with your check or money order made payable to San Bernardino Valley College, within five working days after you have registered by web or telephone. Write your student identification number or social security number in the lower left corner of your check/money order. **NOTE: Do not mail cash.** Mail your payment and coupon to:

**Web/Telephone Registration Payment Center
San Bernardino Valley College
701 S. Mt. Vernon Avenue
San Bernardino, CA 92410**

Option Three:

You may also pay your fees **in person** at the Admissions and Records Office in the AD/SS Building, Room 100. Office hours are Monday through Thursday, 8:00 a.m. to 7:00 p.m., and Friday, 8:00 a.m. to 4:00 p.m.

Option Four:

You may put your fee payment coupon and your check or money order made payable to San Bernardino Valley College in an envelope and place it into an on-campus drop-box. Drop-boxes are located in the Campus Center and adjacent to the Admissions and Records Office in the AD/SS Building.

Once your classes are confirmed over the Web/Telephone Registration systems, **YOU ARE RESPONSIBLE FOR ALL FEES INCURRED.** If you cannot attend the class(es) for which you have registered, you must drop your classes either in person or via the Web or Telephone Registration systems. See the "Policies for Students" pages in the back of this schedule for information on the Refund Policy for Fees.

*You've finished the registration process.
Welcome to the Fall 2005 Semester at SBVC!*

Print a copy of your schedule or request a printout from the Admissions & Records Office. **Remember to check for errors!**

Walk-In Registration

For those unable to register by web or telephone, walk-in registration will be held in the Admissions & Records Office on **Monday, July 25 and Tuesday, July 26, 2005** from 8:00 a.m. to 7:00 p.m.

An online alternative to the printed schedule!

<http://www.valleycollege.edu/eSchedule>

Valley College is pleased to introduce a new online eSchedule that was created to speed up the registration planning process and provide quick and easy access to a complete listing of Fall 2005 classes.

The eSchedule gives students the option of downloading the entire semester schedule of classes onto their PC's hard drive so that internet delays or high usage of the website during peak registration hours/days does not delay retrieval of that information. Automatic updates can be downloaded in a matter of seconds.

The real beauty of the eSchedule is that you can see which courses are still available when you are scheduled for priority registration. **Note: A link will take you to Campus Central to register.**

Feedback and ideas regarding this site would be appreciated. We want this site to work for you.

PREREQUISITE/COREQUISITE INFORMATION

Questions & Answers

Q. What is a prerequisite, a corequisite or an advisory?

A. A prerequisite, corequisite, or departmental advisory is a limitation on enrollment in a particular class. A *prerequisite* is a requirement that **must** be met before a course is taken, while a *corequisite* is a course that must be taken at the same time as another course. A *departmental advisory* is a recommendation that **should** be met before taking a course, but is not required. If a course has a prerequisite/corequisite, the prerequisite course can be taken either prior to enrolling in the desired course **or** concurrently with the desired course.

Q. What grade must I receive in a prerequisite course to show that I have met the requirement?

A. To satisfy a prerequisite, you must have received a grade of "C" or better in the course.

Q. If I have not met the prerequisite, is there any possibility that I can take the course?

A. If you have not met a prerequisite, *it is possible to challenge the prerequisite.*

Q. What is a prerequisite challenge?

A. A prerequisite challenge is a process that allows students to demonstrate that they can succeed in a course even though they have not met the prerequisite. According to Title 5 of the California Code of Regulations (55201), a student may challenge a prerequisite on one or more of the following grounds:

- The student can demonstrate that he/she has the knowledge or ability to succeed in the course despite not meeting the prerequisite or corequisite requirements.
- The student will be subject to an undue delay in attaining his/her educational goal as outlined in his/her Student Educational Plan (SEP) because the prerequisite or corequisite course has not been made reasonably available.
- The prerequisite or corequisite is discriminatory or is being applied in a discriminatory manner.
- The prerequisite or corequisite has not been established in accordance with the district's approved process for establishing prerequisites or corequisites or was established in violation of Title V.

A challenge consists of documentation that the student provides to show his/her ability to succeed in the course. It is the student's responsibility to provide information to support a challenge.

Q. What is the process for challenging a prerequisite?

A. A student should proceed as follows:

- Prior to the beginning of the semester or session, the student should go to the appropriate Academic Division Office to challenge a prerequisite or corequisite. The Academic Division Office will provide consultation for the challenge process.
- The college is required to respond to a challenge within five working days. If the college does not give a decision within five working days, the student may stay in the class.
- The assessment process may be used to satisfy a prerequisite if the course placement recommended is equivalent to having completed the prerequisite course.
- If the prerequisite course has been successfully completed (with a "C" or better) at another college or university, the student must take an official copy of the college transcript to the Records Office (AD/SS Building). A records clerk will verify that the course taken meets the prerequisite and will have this information entered into the system to remove the computer prerequisite block. An unofficial copy of the transcript may help before the official copy arrives; nevertheless, the official copy of the transcript must be in the SBVC Records Office no later than the Friday of the second week after the term starts.
- If a student successfully challenges a prerequisite, no college credit is given. Students who have sufficient knowledge and experience may be able to earn credit for a course through "Credit by Examination." (For more information on this topic, see the College Catalog or come to the Records Office.)
- A student **MAY** appeal a challenge decision by contacting the appropriate Academic Division Dean or the Dean of Student Support, AD/SS Building, 103E.

HOW TO ADD OR DROP AFTER THE START OF CLASSES

If you revise your schedule, and if the total number of units taken changes, the amount of your fees will also change. You will have five working days during the registration period to pay your additional fees if additional payment is required. After the registration period ends, you are required to pay all fees immediately. See the "Policies" pages in the back of this schedule for a description of the refund policy if you are dropping a class.

ADDING CLASSES: AFTER the Web/Telephone registration period has passed and beginning on the first day of class, there are two ways you can add a class, with payment due immediately if the total number of units you are taking also changes.

Option 1: Obtain a webcode authorization sticker from your instructor. Once you have obtained the webcode, log on to www.valleycollege.edu, enter the Campus Central system, and follow the directions to enter the web code authorization sticker information. Payment will be due immediately. YOU CANNOT ADD A CLASS VIA THE WEB after the "use by date" has expired.

Option 2: Obtain an ADD/DROP card from your instructor or from the Admissions & Records Office. Fill out the top portion of the card. Obtain either a webcode authorization sticker to place on the form or ask your instructor to sign the form. Bring the form to the Admissions & Records Office. Payment will be due immediately.

To pay:

- Use a credit card to pay over the web system, OR
- Bring your add/drop card and payment to the Admissions & Records Office, OR
- Submit your add/drop card and payment through the U.S. Mail. **Do not mail cash!** OR
- Drop your authorization sticker into an on-campus drop box.

Always retain your registration and schedule information and/or copy of the add/drop form until after final grades are posted.

DROPPING CLASSES: An instructor's signature is **NOT** required to DROP a class. To drop after the Web/Telephone registration period has ended, simply complete the ADD/DROP form, check the box labeled "drop" on the form and return the form to the Admissions and Records Office. You may also drop your classes on the web by logging on to www.valleycollege.edu. If you have questions, call (909) 888-1996 for assistance. **It is the student's responsibility to drop classes he/she is no longer attending.**

ACADEMIC FREEDOM

San Bernardino Valley College is committed to the principle that the free expression of ideas is essential to the effective education of its students and should be limited only by the responsibility to express ideas with fairness and in a manner that respects the differing ideas of others and distinguishes between established fact and theories and one's own opinion.

No special limitations shall be placed upon the study, investigation, presentation, and interpretation of facts and ideas concerning human society, the physical and biological world, and other branches of learning, subject to accepted standards of academic and professional responsibility. Students shall have the opportunity to study controversial issues and divergent views and to arrive at their own conclusions. While students may represent without penalty any opinion in or out of class, they may be required to demonstrate knowledge of views contrary to their own in order to fulfill course requirements.

FINANCIAL AID INFORMATION

Apply Early!

If you need financial help to pay for the costs of attending San Bernardino Valley College, the Financial Aid Office (AD/SS Building, Room 106) offers assistance. While the primary responsibility for meeting college costs rests with you, the student, and with your family, the college recognizes that many students are not able to meet the full cost of a college education. Therefore, San Bernardino Valley College offers programs to provide assistance for students with documented needs who might not otherwise be able to attend.

It is important that you apply early for Financial Aid. A minimum of six weeks is required to file the necessary documents and to process your application within the Financial Aid Office. You may apply for Financial Aid at any time during the academic year. Financial Aid awards, however, are limited to availability of funds and are awarded to students with the greatest need who apply by the priority deadline.

Eligibility Requirements

In order to receive financial assistance, a student must either possess a high school diploma (or its equivalent) or pass a standardized test. Students with professionally verified disabilities may request testing accommodations (for example, large print or Braille versions of the test or additional time) by contacting Disabled Students Programs and Services at (909) 384-4443. In addition, a student receiving aid must have a stated educational objective and maintain satisfactory progress. California aid programs require recipients to be a resident of the state of California. Federal aid programs (grants and work) require recipients to be U.S. citizens or eligible non-citizens.

Application Procedure

For most student aid programs described in this section, students must complete the [Free Application for Federal Student Aid \(FAFSA\)](#) as well as a [San Bernardino Valley College Supplemental Financial Aid Application](#). (These forms are available in the Financial Aid Office.) You can also file the FAFSA online at www.fafsa.ed.gov. Make sure San Bernardino Valley College is listed on your FAFSA. Our Federal School Code is 001272.

Applications for each new academic year are available in January. Financial Aid is not continued from one year to the next. You must apply for Financial Aid each school year. Deadlines for the various programs may vary; therefore, you are encouraged to visit the Financial Aid Office early each January for information.

Financial Aid Programs

San Bernardino Valley College participates in the Financial Aid programs listed adjacently. Additional information regarding each of the programs listed is available in the Financial Aid Office.

Board of Governors Enrollment Fee Waiver (BOG): This waiver is available to California residents to cover basic enrollment and health fees. Students must demonstrate financial need and complete the [Free Application for Federal Student Aid \(FAFSA\)](#) or [Board of Governors Enrollment Fee Waiver](#) application. The fee waiver application can be found on pages 127 and 128 of this schedule.

Cal Grant: The Cal Grant B program is available to a limited number of students who are from low-income families and who have at least a 2.0 GPA. The Cal Grant C program helps meet vocational training program costs for students from low and middle-income families. Selection is based on grades, vocational interests, and aptitude. Cal Grant C is not available to students who are pursuing a standard four-year college program. The

deadlines for Cal Grant applications are March 2 and September 2 for considered eligibility for the following academic year. Please be aware that a GPA verification form and FAFSA must be completed prior to the deadline to be considered for the Cal Grant programs.

Federal Pell Grant Program: The Federal Pell Grant program provides federal grants up to a maximum of \$4,050 per year for students, depending upon the financial ability of the family and/or individual to contribute toward their cost of education (as determined by a federal formula).

Federal Supplemental Educational Opportunity Grant (FSEOG): The FSEOG program provides federal grants to a maximum of \$2,000 per year for students who qualify. The average grant at San Bernardino Valley College is \$500.

Federal Work-Study: Work-study offers students the opportunity to earn a portion of their college expenses through part-time employment during the school year.

Federal Stafford Loans:

Subsidized Stafford Loans are awarded based on demonstrated financial need. The federal government pays the interest while a student is enrolled in school and for the first six months after the student graduates, leaves school or drops below half-time enrollment. The amount that can be borrowed depends upon the student's year in school (maximum 2nd year student at a community college), college costs and other aid being received. The maximum loan amount is \$2,625 for first-year students and \$3,500 for second-year students. Attendance at a loan counseling workshop is required prior to borrowing. See Financial Aid for details.

Satisfactory Progress

All students receiving Financial Aid are required to maintain satisfactory progress. Satisfactory progress will be monitored at the end of each Spring semester (at a minimum) for all Financial Aid students who apply for aid for the next school year. Detailed information on standards required to maintain satisfactory progress is available in the Financial Aid Office.

Refund Policy

SBVC will determine the amount of federal Financial Aid that a student has earned in accordance with federal law. Students who receive federal Financial Aid and who do not attend any classes will be required to repay all of the funds they received. Students who withdraw from all classes prior to completing more than 60% of the semester will have their Financial Aid eligibility recalculated based on the percentage of the semester completed, and will be required to repay any unearned Financial Aid they received. At San Bernardino Valley College, a student's withdrawal date is: 1) the date the student officially notified the Admission Office of his or her intent to withdraw; or 2) the midpoint of the semester for a student who leaves without notifying the college; or 3) the student's last date of attendance at a documented academically-related activity.

Cheating and Plagiarism

It is the belief at San Bernardino Valley College that students share a responsibility with their instructors for assuring that their education is honestly attained. In keeping with this belief, every instructor has the responsibility and authority to deal with any instances of plagiarism, cheating and/or fabrication that occur in the classroom. Examples of academic dishonesty include (but are not limited to) the following:

Plagiarism: Plagiarism is the act of presenting someone else's work as one's own. Examples include:

- Copying and pasting text from websites or other electronic sources and presenting it in an assignment as your own original work.
- Copying and pasting text from printed sources (including books, magazines, encyclopedias or newspapers) and presenting it in an assignment as your own original work.
- Using another student's work and claiming it as your own original work (even if you have the permission of the other student).

Cheating: Cheating is the act of pretending (or helping others to pretend) to have mastered course material through misrepresentation. Examples include:

- Copying from another student's test or assignment.
- Allowing another student to copy from your test or assignment.

- Using the textbook, course handouts, or notes during a test without instructor permission.
- Stealing, buying or otherwise obtaining all or part of a test before it is administered.
- Selling or giving away all or part of a test before it is administered.
- Having someone else attend a course or take a test in your place.
- Attending a course or taking a test for someone else.
- Failing to follow test-taking procedures, including talking during the test, ignoring starting and stopping times, or other disruptive activity.

Fabrication: Fabrication is the intentional use of invented information. Examples include:

- Signing a roll sheet for another student.
- Giving false information to college personnel.
- Answering verbal or written questions in an untruthful manner.
- Inventing data or sources of information for research papers or other assignments.

As members of the San Bernardino Valley College learning community, students are not to engage in any form of academic dishonesty. Any act of academic dishonesty will be considered a very serious offense that is subject to disciplinary action. The consequences of academic dishonesty may include receiving a grade of "F" for a class or possible expulsion from the college.

Children on Campus and in the Classroom

All children (with the exception of high school students who have been admitted to the college) must be accompanied by an adult while on campus. Children are not allowed in the classroom under any conditions and are not to be left unattended in any campus facility. Should this occur, the College Police should be notified immediately.

Complaints

Any complaint about a grade, an instructor or course content should be made to the instructor involved, then to that instructor's Department Head, then to the Division Dean of that department. If necessary, complaints beyond the Dean's level should go to the Vice President of Instruction.

Credit/No Credit

Students who wish to be graded in any class on a Credit/No Credit basis must pick up the appropriate form in the Admissions and Records Office (AD/SS Building). The paperwork must be filed no later than the end of the first 30% of the course. Once Credit/No Credit has been selected as a grading option, a letter grade (A-F) cannot be issued.

Credit Hours (Units)

One credit is awarded for each 16-18 lecture hours of instruction, or for 48-54 laboratory hours, or for appropriate combinations of lecture and laboratory hours. For each hour in lecture, students are expected to spend at least two hours of work outside of class

engaged in reading, completing assignments, or other activities related to the course.

Non-Discrimination Policy

San Bernardino Community College District and its two colleges, San Bernardino Valley College and Crafton Hills College, are committed to non-discrimination. Our goal is to provide equal opportunities for all community members in all areas of the college including admission, student financing, student support facilities and activities, and employment. Federal laws and district policies strictly prohibit all types of discrimination, including sexual harassment and inequities based on race, color, religion, sex, age, marital status, physical disabilities or mental impairments, or sexual orientation. The District's non-discrimination policies are supported by the requirements of Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the education amendments of 1972; the Age Discrimination in Employment Act of 1975; and sections 503 and 504 of the Rehabilitation Act of 1972, as amended, and the Americans with Disabilities Act.

San Bernardino Valley College is further committed to overcoming sex discrimination and sex stereotyping in vocational education programs. In addition, the lack of English language skills will not be a barrier to admission and participation in vocational education programs.

Students, job applicants, and employees may complain of any action which they believe discriminates against them on the above-cited grounds.

For information regarding the college's non-discrimination policy or to file a complaint, contact John Matulich, Interim Vice Chancellor of Human Resources and Employee Relations, District Building, SBCCD, 114 South Del Rosa Drive, San Bernardino, CA 92408. He can also be reached by calling (909) 382-4041.

For information regarding the requirements of Section 503 and 504 of the Rehabilitation Act of 1973 or to file a complaint, contact the Vice President of Student Services, San Bernardino Valley College (Campus Center, Room 215).

Prerequisites, Corequisites, Departmental Advisories, and Limitations on Enrollment

Course information in this schedule of classes may include a prerequisite, corequisite, departmental advisory and/or other limitations on enrollment. A prerequisite is a class or skill that must be completed prior to enrolling in the course. A corequisite is another class that must be taken during the same semester as the course in which you would like to enroll. A departmental advisory is not required, but is a suggested class that would be helpful for you to have completed prior to enrolling.

Students may challenge a prerequisite or corequisite on one or more of the following grounds:

- The student can demonstrate that he/she has the knowledge or ability to succeed in the course or

program despite not having satisfied the prerequisite or corequisite.

- The student will be subject to undue delay in attaining his/her educational goal as outlined in his/her student education plan because the prerequisite or corequisite course has not been made reasonably available.
- The prerequisite or corequisite is unlawfully discriminatory or is being applied in a discriminatory manner.
- The prerequisite or corequisite has not been established in accordance with the district's approved process for establishing prerequisites or corequisites or was established in violation of Title V.

It is the student's responsibility to provide documentation to support the challenge. The challenge must be filed in the appropriate Academic Division Office no later than the first week of class. The college will process the challenge within five working days and the student will be advised of the approval or denial. For information on challenging a prerequisite, speak to the Matriculation Coordinator by calling (909) 384-8996.

Probation and Dismissal

A student will be placed on Academic Probation when his/her current or cumulative grade point average following completion of 12 or more units falls below 2.0. A student will be placed on Progress Probation if, following completion of 12 or more units, he/she receives non-evaluative symbols of "W," "I" and/or "NC" in 50% or more of the units in which he/she has enrolled.

A student on Academic or Progress Probation may be dismissed for one semester when one or more of the following conditions exists:

- The student has earned a cumulative grade point average of less than 2.0 for three consecutive semesters
- The student has received non-evaluative symbols of "W," "I" and "NC" in 50% or more of the units for which he/she was enrolled for three consecutive semesters.
- The student has been on Academic and/or Progress Probation for three consecutive semesters.

Students experiencing problems in any class are encouraged to consult with a counselor.

Refund Policy for Fees

If a class is cancelled, you will automatically be mailed a refund of the enrollment fees. If this class is your only class for the term, you will also receive a refund of the health/accident fee.

If you drop a class during the registration period and before the first day of classes...

You will automatically be mailed a refund of enrollment, health and student center fees, minus a \$10 processing fee. Refunds of less than \$15 will not be processed.

If you drop a class after the first day of classes...

You will automatically be mailed a refund of enrollment fees for any class dropped by the refund deadline (10% of the class), minus a \$10 processing fee. Refunds of less

than \$15 will not be processed. **All other fees are non-refundable as of the first day of classes. If you drop a class after the first 10% of the class, you are NOT eligible for a refund.**

If you are dropped by the instructor, you are NOT entitled to a refund.

In all cases...Allow 6-8 weeks for all refund checks. Please be sure the college has your current address. If you wish to apply the refund credit toward registration in another class, you must submit the drop and add at the same time.

Refund Policy for Parking Permits

To be eligible for a refund of the parking permit fee: (a) all classes must be cancelled by the college and such cancellation must result in a student's withdrawal from the college or (b) the student must withdraw from all classes PRIOR to the first day of instruction. The parking permit must be attached to the refund request. Refund request forms are available through the College Police & Safety Services Office (Campus Center, Room 106).

Repeating a Course

A student may take a course only once. There are two exceptions to this statement. First, if a course number includes x2, x3, or x4, then the course may be taken 2, 3, or 4 times. Second, if a student receives a "D," "F," or "NC" grade, he/she may take the course one additional time. If necessary, a student receiving a "D," "F" or "NC" may petition the Committee on Academic Standards to take the class a third time. The petition is subject to approval or denial based on the rationale provided.

Residency

California Residents: The following conditions establish college residency status:

1. If the applicant is less than 18 years, his or her parents or guardian must have resided within California for 12 consecutive months preceding the first day of the semester.
2. If the applicant is 18 years but not yet 19 years of age, the applicant and the applicant's parents must have resided within California for 12 consecutive months preceding the first day of the semester.
3. If the applicant is 19 years or older, the applicant must have resided within California for 12 consecutive months preceding the first day of the semester.

Non-California Residents: Out-of-state applicants may be admitted to San Bernardino Valley College under the following conditions:

1. Applicants who are not residents of California as of the day immediately preceding the first day of classes in any given semester or summer session must pay non-resident tuition fees.
2. Members of the United States armed forces stationed in California on active duty (except those assigned for educational purposes) are exempt from non-resident tuition for the duration of their attendance at

a community college as long as they remain on active duty. Dependents are entitled to a waiver of the non-resident fee until they have resided in the state the minimum time necessary to become a resident.

Sexual Harassment Policy

Sexual harassment of students or employees in the academic and work environments violates both federal and state law and district policy, and it will not be tolerated. It also violates law and policy to retaliate against any individual for filing a complaint of sexual harassment, or for participation in the investigation or resolution of a formal or informal, written or oral complaint of sexual harassment. Unlawful harassment on the basis of sex includes, but is not limited to, classroom conditions, grades, academic standing, scholarships, recommendations, employment opportunities, disciplinary action, or any other aspect of college life within the control of the District. Complaints of sexual harassment may be registered with the Vice Chancellor of Human Resources and Employee Relations, District Building, SBCCD, 114 South Del Rosa Drive, San Bernardino, CA 92408, or may be reached by calling (909) 382-4041.

Standards of Student Conduct

In the classroom: Students are expected to take responsibility for helping to create a quality classroom environment. Students are expected to show:

1. **Respect for the instructor:** This would include arriving on time, staying for the entire class period, bringing assignments, textbooks and other appropriate materials to class, refraining from talking while the instructor or classmates are making a presentation, leaving cell phones and other electronic devices off during class periods, and using a moderate, mature and respectful tone when participating in group discussions.
2. **Respect for other students:** This would include using appropriate language in public areas and refraining from physically or verbally harassing others in any way.
3. **Academic honesty:** Lack of honesty in the classroom is considered a very serious offense. Any form of cheating on tests or assignments, turning in work that is not one's own (i.e., plagiarism), talking during tests, furnishing false information to college personnel, or knowingly misrepresenting oneself to the college is grounds for disciplinary action. The consequences of cheating are severe and may include receiving a grade of "F" for the class or possible expulsion from the college.
4. **Instructor's rights:** An instructor has the right to remove a student from class at any time he or she

considers a student's actions to be interfering with a proper collegiate environment. The instructor may also refer the incident to the administration for disciplinary action as warranted.

On the campus: Creating a proper campus environment is also very important for academic and individual success. The SBCCD Board of Trustees has established district-wide standards of student conduct which will be enforced at all times. These rules of conduct are particularly important in large common areas such as the Cafeteria, Bookstore, vending areas, campus quads, and other highly frequented areas.

See Board Policy 5500 for additional information about student conduct.

Student Grievance Policy

In accordance with Board Policy 5530, a student may initiate a grievance against a college employee for any of the following reasons:

- An act or threat of intimidation, harassment, discrimination or physical aggression
- Any arbitrary action without proper regard to academic due process
- Any violation of student rights

Any student who wishes to discuss a grievance must first attempt to resolve the issue by contacting the employee. The next step requires a conference with the employee's immediate supervisors (first the Department Head, then that employee's Division Dean). Written documentation at each step is necessary, particularly if a grievance is filed. If the alleged problem is still unresolved, the student may request a formal hearing by contacting the Vice President of Student Services in the Campus Center, Room 215. Before a formal hearing is filed, the student must review Board Policy 5530.

Transcript Request

Requests for transcripts must be made in writing or by filling out the appropriate form in the Admissions and Records Office, AD/SS Building, Room 100. Requests will be processed, providing the student has no outstanding obligation to the college. The first two transcripts requested are provided at no charge; after that, there is a \$3 charge for each request (allow 5 to 7 working days for processing of standard requests). There is an \$8 charge for rush requests (24-hour service, excluding weekends and holidays). Transcripts may also be ordered at www.valleycollege.edu.

STUDENT DISCIPLINARY PROCEDURES

Resolving Student Concerns

San Bernardino Valley College functions within a basic framework that relies on the personal honor and integrity of its students and staff. The framework is fostered in an atmosphere of mutual trust and openness, relying on example and discussion to promote understanding and respect.

Grounds for Disciplinary Action

Student conduct must conform to district and college rules and regulations. Violations of such rules and regulations, for which students are subject to disciplinary action, include, but are not limited to, the following:

- Continued disruptive behavior, willful disobedience, habitual use of profanity or vulgarity, the open and persistent defiance of authority, or persistent abuse of college personnel.
- Dishonesty, such as cheating, plagiarizing or knowingly furnishing false information to the college or to college officials.
- Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Board of Trustees.
- The use or possession of alcoholic beverages on college property or at any college sponsored event, or the presence on campus of anyone under the influence of alcohol.
- Assault, battery or any threat of force or violence upon a student or visitor to the campus or college personnel.
- Willful misconduct which results in injury or death to a student, campus visitor or college personnel, or cutting, defacing, or otherwise harming any real or personal property owned by the District.
- The use, sale or possession of illegal drugs or substance or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code, or the presence on campus of anyone under the influence of such drugs or substances.

- Forgery, alteration or misuse of college documents, records, or identification.
- Violation of college regulations governing student organizations, the use of college facilities or the time, place and manner of public expression or distribution of materials.
- Unauthorized entry to facilities or use of college supplies, equipment, and telephones.
- Possession or use of any firearm, explosive device, dangerous chemical or other deadly weapons while on college property or at college-sponsored activities.
- Driving of motorcycles and other off-road vehicles on college property, other than the regular roads and parking lots.
- Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
- Obstruction of pedestrian and/or vehicular traffic while on college property or at college-sponsored activities.

Types of Disciplinary Action

Disciplinary actions which are imposed by the college for the violation of its rules or the laws of the State of California include the following:

- Reprimand (a verbal or written recognition of a violation of good conduct that admonishes the offender to avoid future infractions).
- Probation (a disciplinary action which returns the offender to the college community on his or her promise of appropriate future behavior; may include, but is not limited to, ineligibility to participate in extra-curricular activities and certain other student privileges).
- Suspension (exclusion from the college and college-sponsored activities for a specified time).
- Expulsion (exclusion by the District Board of Trustees from the college and all college-sponsored activities).

STUDENT GRIEVANCE PROCEDURES

Student Grievance and Due Process

It is the stated policy of the Board of Trustees of the San Bernardino Community College District that, "the relationship between students and college personnel is of vital importance to the learning process." With this principle comes the recognition that there may be many divergent viewpoints and that a process by which these viewpoints can be aired and resolved must be established.

Any one of the following constitutes a grievance:

1. Any act or threat of intimidation;
2. Any harassment (sexual or other);
3. Any act of discrimination;
4. Any act or threat of physical aggression;
5. Any arbitrary action or imposition of sanctions without a proper regard to academic due process as specified in college procedures.

The San Bernardino Community College District has established a due process procedure which has as its goal the satisfactory resolution of the problem at the lowest possible level. The procedure has several levels:

- Level I Informal Discussion**
- Level II Review of Request for Student Grievance Committee Hearing**
- Level III Student Grievance Committee Hearing**
- Level IV Recommendation of Grievance Committee/Action by College President**

At the beginning of each school year, a standing panel is appointed from which one or more Student Grievance Hearing Committees may be established. The panel consists of five to fifteen faculty members, five to fifteen students and four to ten administrators/supervisors. The Hearing Committee will consist of a maximum of two faculty members, two students, and one administrator/supervisor to hear each grievance.

Level I: Informal Discussion

A student who wishes to discuss a grievance relating to a condition or practice of the district/college, including but not limited to alleged unlawful discrimination, must first attempt to resolve the issue by contacting the instructor/administrator/supervisor of the class, service or office most closely related to the origin of the alleged problem. A student not satisfied with the outcome of that conference may next attempt to resolve the alleged problem by conferring with the immediate supervisor of the person with whom the initial conference was held.

Level II: Review of Request for Student Grievance Committee Hearing

If the alleged problem is still unresolved, the student may request a formal hearing. A request for a hearing shall be submitted in writing to the Vice President of Student Services. This written notice shall state the condition, practice or alleged act, injustice, or unlawful discrimination which is being grieved and, if possible, should include a proposed solution to the problem.

Within three working days of receipt of the grievance notice, the Vice President of Student Services shall determine if the allegations were filed in a timely manner. If the grievance notice meets the criterion identified in Level I, within five working days the Vice President of Student Services shall appoint a Student Grievance Hearing Committee following the guidelines of the "Standards of Student Conduct and Disciplinary Procedures."

The student and any college personnel involved in the allegations shall be notified of the time and place of the hearing in writing. The notice shall include the names of the Hearing Committee and all documentation relating to the allegation(s).

Level III: Student Grievance Committee Hearing

The Hearing shall convene within ten working days. Persons appearing before the Committee have the right to be assisted by an advocate and/or legal counsel. The burden of proof rests upon the party bringing the charge. The Committee renders a written report and a recommendation.

Level IV: Recommendation by Hearing Committee/Action by College President

Within five working days following receipt of the report of the Hearing Committee Chairperson, the College President or designee shall provide a written notification to the student and to other parties directly involved in the issues as to the recommendation. In the case of a designee, the College President may accept or reject the recommendation. The College President will advise all parties directly involved of the decision within five working days.

Notice: if either party is not satisfied with the final college-level disposition of the grievance, he/she shall, through the District Chancellor's Office, appeal directly to the San Bernardino College District Board of Trustees within ten working days. Contact the following: Chancellor's Office, San Bernardino Community College District, 114 S. Del Rosa Drive, San Bernardino, CA 92408.

All other deadlines – For all refund(s) and "W" dates not specifically noted above (short-term classes), the following will apply: **for refunds**, students must drop before 10% of the instructional days have passed. In order not to receive a "W" for a class, students must drop before 30% of the instructional days have passed. Students dropping after 30% of the instructional days have passed will receive a "W".
