President's Message

Summer is a good time to enroll in courses that will help you complete your degree and transfer requirements. It also provides an opportunity for recent high school graduates to launch their college careers. To best meet the needs of our students, we are offering three sessions this summer. A 5-week term will begin in May followed by a 7-week term in June and a 6-week session in July. We built our schedule around yours.

But some things never change - like the quality and excellence you will find in the classroom and in the services we provide. In a high tech society it is important to stay informed and in tune with our services and class offerings. The best way to access this information is to take advantage of your free Valley College personal e-mail account. We promise to send only messages that are important to our students. The back cover of this schedule provides you with three easy steps to access your free account.

Thank you for choosing San Bernardino Valley College. This is truly a place "Where Dreams Come True".

"I have had a rewarding experience at San Bernardino Valley College. Valley has given me the opportunity to take classes toward my degree and classes that cater to what I want to learn. While I give credit to Valley College for providing the classes it offers, the real credit must go to the professors. Valley College has employed many professors that would rival some from a four-year university. They are what make Valley College what it is today."

ADMISSION AND REGISTRATION PROCEDURES

Step 1: Be admitted as a student.

You are a **CONTINUING** student if you were enrolled in classes at SBVC during the Spring 2007 term. If you are a continuing student, skip ahead to Step 3!

You are a **RETURNING** student if you have attended SBVC in the past but did not enroll during the Spring 2007 term. If you are a returning student, go to the San Bernardino Valley College website at www.valleycollege.edu, print a copy of the application and Residency Statement, complete them and 1) mail them via U.S. Mail or 2) drop them into the drop box outside the Admissions & Records Office in the AD/SS Building (Room 100). Once the Admissions Office has reactivated your status as a SBVC student, you can go to Step 3.

You are a **NEW** student if you have never attended SBVC. As a new student, either:

1. Log on to www.valleycollege.edu and click on the link that will take you to the online application. You may download a copy of the application and complete it or you may complete the application form online. Once you have completed the application, you will need to submit the Residency Statement to the Admissions & Records Office by mail, in person, or via the drop box outside the Admissions & Records Office. When your Residency Statement has been received by the Admissions & Records Office, you will be cleared to register for classes.
2. Download, print and complete the application and Residency Statement. 1) Mail them via U.S. Mail or 2) drop them into the drop box outside of the Admissions & Records Office or 3) bring them to the Admissions & Records Office in the AD/SS Building, (Room 100).
Note: Applications must be submitted to the Admissions and Records Office and cleared before registering for classes.

If you are a high school junior or senior you must submit: 1) an SBVC application, 2) a Special Student Attendance form (available from the Admissions and Records Office or from your high school counselor), 3) an official, sealed copy of your high school transcript and Confidential Youth Emergency Card. High school students must have an overall high school 3.0 GPA or better if enrolling in transferable college courses, or 2.0 if enrolling in Vocational Education courses. Additional information about enrolling while attending high school is found on the SBVC College website.

If you are a public school student below grade 11, you must comply with all requirements for high school juniors and seniors, plus:

- The public school district of residence must grant approval in writing.
- Parents must petition in writing to the Vice President of Student Services or designee.

- Courses cannot duplicate courses currently available at your high school.

Step 2: Sign up for Assessment.

When you submit an application for admission in person, you will be able to choose a date and time for Assessment. All new students are **required** to participate in Assessment unless specifically exempted from this process. Taking the Assessment test helps determine your placement in English and math and will enhance your educational planning when you meet with a counselor.

If you mail your application or apply online, you must contact the Admissions and Records Office at (909) 384-4401 to make an appointment for Assessment. To get an appointment for the Ability-to-Benefit (ATB), please go to Financial Aid (AD/SS Building, Room 106).

Report at least fifteen minutes early on the assessment date you have chosen. Bring your appointment card with you as well as a photo ID (driver's license or school ID) and Social Security number or school ID number to take the Assessment test.

You may be exempt from Assessment if:

- You have an associate degree or higher from an accredited college or university; **or**,
- You have earned a score of 3 or higher in Advanced Placement Tests in **both** math and English; **or**,
- You have proof of taking an Assessment test with course placement information at another California Community College within the last three years; **or**,
- You are taking courses for career advancement, to improve job skills, or to maintain certificate or license requirements **and** the courses you are taking do not require the math or English prerequisites; **or**,
- You are taking courses only for personal enrichment **and** are enrolled in 6 or fewer units in courses that do not have a math or English prerequisite **and** you have not completed more than 12 units total at the college.

Step 3: Attend an Orientation.

All first time college students are to attend an Orientation session. When you have completed the assessment process, an appointment will be made for an orientation session with a counselor. At that session you will select your classes for the semester.

Remember to select some alternate courses, in case your first-choice classes are closed by the time you register.

Step 4: Make a date!

The first two weeks of web or telephone registration are open to students according to specific categories. These categories have been created to make your registration as easy as possible. Use the information in this schedule to identify the first day you will be able to register by web or telephone.

IMPORTANT NOTICE: *You can register by web or telephone on your assigned day or any day thereafter. You cannot register before your assigned day. Since classes are filled on a first-come, first-served basis, it is recommended that you register as soon as your date becomes available.*

Step 5: Register by Web or Telephone.

You may register on the web at www.valleycollege.edu or by phone at (909) 888-1996.

In order to avoid lines, students are urged to register and pay by web or telephone. Incomplete applications, outstanding financial obligations, or Academic and Probationary issues will cause the system to disallow registration.

- Page 7 Priority Registration
- Page 7 Web/Telephone Registration Schedule
- Page 9 Web Registration Instructions
- Page 10 Telephone Registration Instructions

Step 6: Pay your fees.

Do you need financial assistance to attend college?

You may be eligible for a fee waiver (Board of Governor's Waiver) if you or your parents qualify according to one of the following:

- Low income
- CalWorks/TANF recipient
- SSI recipient
- Veterans
- Child or spouse of disabled or deceased veteran

A fee waiver form is found on pages 15 and 16 of this schedule. Bring this form to the Financial Aid Office in the AD/SS Building for additional instructions and advice on how to proceed in obtaining a fee waiver. The fee waiver must be processed 24 hours prior to registering by telephone or the web.

The Financial Aid Office has a variety of other programs that may assist low-income students in reaching their goals. See page 14 for more detailed information.

You have three business days to pay for transactions prior to the start of the semester. There are four ways to register and pay for classes:

Option One:

You may use a credit card (Visa or MasterCard) to pay fees when using the web or telephone registration systems. Print a copy of your SBVC registration schedule and check bank withdrawal statements.

Option Two:

You may use the U.S. mail to submit your fee payment coupon (found on page 8), along with your check or money order made payable to San Bernardino Valley College, within three business days after you have registered by web or telephone. Write your student identification number in the lower left corner of your check/money order. **NOTE: Do not mail cash.** Mail your payment and coupon to:

**Web/Telephone Registration Payment Center
San Bernardino Valley College
701 S. Mt. Vernon Avenue
San Bernardino, CA 92410**

Option Three:

You may put your fee payment coupon and your check or money order made payable to San Bernardino Valley College in an envelope and place it into the Admissions drop-box. A drop-box is located outside of the Admissions & Records Office in the AD/SS Building, Room 100.

Option Four:

The least desirable option is to pay your fees in person at the Admissions and Records Office in the AD/SS Building, Room 100. You will likely have to stand in line for a substantial amount of time. Office hours are Monday through Thursday, 8:00 a.m. to 7:00 p.m. and Friday from 8:00 a.m. to 4:30 p.m. during the regular semester.

YOU ARE RESPONSIBLE FOR ALL FEES INCURRED. If you cannot attend the class(es) for which you have registered, you must drop your classes either via the Web or Telephone Registration systems before the class begins. If you do not attend and the instructor drops you, **you** are responsible for the fees. See the "Policies for Students" page in the back of this schedule for information on the Refund Policy for Fees.

***You've finished the registration process.
Welcome to the Summer 2007 Session at SBVC!***

Print a copy of your schedule using any one of the 180 computers available on campus. **Remember to check for errors!**

Calculate Your Fees

Each course listed in the schedule will tell you how many semester "units" of credit have been assigned to it. Your fees will be based on these units. Use steps A, B, C and D below to do a preliminary calculation of your fees:

- A. If you are a resident of California, multiply the number of units you will be taking by \$20 and enter the total here: _____
(Example: If you are taking 6 units, the total will be \$120.)

- Note: If you are not a resident of California, multiply the number of units by \$186. Students who are both citizens and residents of a foreign country will also be required to pay a Capital Outlay fee of \$13 in addition to the non-resident fee.*

- B. Add the required Health Fee of \$11

- C. Add the required Student Center fee. To do this, multiply the number of units you will be taking by \$1 per unit. (Example: If you are taking 3 units the fee will be \$3.) The maximum amount paid annually for

the Student Center fee is \$10. The computer will keep track of this for you.

- D. Add a \$1 Student Representation fee. (This fee may be waived for moral, financial, political, or religious reasons.) Use the fee payment coupon to note your reason for requesting a waiver for this fee.

Add the totals of items A, B, C and D above:
A) _____ + B) \$11 + C) _____ + D) \$1 = _____ .

Your preliminary calculations will be confirmed when you register by telephone or on the web.

You will also be given the option of purchasing an Associated Student (AS) Discount Sticker for \$5. If you decide to purchase an AS Sticker, you will be able to attend college sporting events, dances and other campus activities for free. In addition, you will receive discounts from many area businesses when you show your AS Sticker. Finally, showing your AS Sticker to the campus Bookstore cashier will enable you to receive 5% discount on the cost of your textbooks!

ADDING CLASSES: AFTER the Web/Telephone registration period has closed and beginning on the first day of class, there are three ways you can add a class, with payment due immediately if the total number of units you are taking also changes. If you add or drop a class after the start date, you are responsible for the fees.

Option 1: Registration if open. You may register for classes using the web site or the telephone through the first week of the semester if the class is open.

Option 2: Obtain a webcode authorization sticker from your instructor. Log on to www.valleycollege.edu, enter the Campus Central system, and follow the directions to register by using the web code authorization sticker information. Payment will be due immediately. YOU CANNOT ADD A CLASS VIA THE WEB after the "use by date" has expired.

Option 3: Obtain a web authorization ADD/DROP card from your instructor or department secretary. Complete your portion of the card. Ask your instructor to sign the form. Place the card in a drop-box. You will receive an e-mail indicating your registration status. Payment is due immediately. You must come to the Admissions & Records Office only if you have both an instructor's signature and a webcode authorization sticker.

To pay:

- Use a credit card to pay over the web system, OR
- Bring your add/drop card and payment (check, money order or credit card) to the Admissions & Records Office, OR
- Submit your add/drop card and payment through the U.S. Mail. **Do not mail cash!** OR
- Drop your payment coupon and payment (check, money order or credit card) into the Admissions and Records drop box, located outside the office.

Always retain your registration and schedule information and/or copy of the add/drop form until after final grades are posted.

DROPPING CLASSES: An instructor's signature *is NOT required to DROP a class*. All classes may be dropped using the web, telephone or a campus drop-box. If you'd like to drop using the web, log on to www.valleycollege.edu. If you have questions, call (909) 384-4401 for assistance. **It is the student's responsibility to drop classes he/she is no longer attending.**

An online alternative to the printed schedule!

<http://www.valleycollege.edu/eSchedule>

eSchedule was created to speed up the registration planning process and provide quick and easy access to a complete listing of Summer 2007 classes.

The eSchedule gives students the option of downloading the entire semester schedule of classes onto their PC's hard drive so that internet delays or high usage of the website during peak registration hours/days does not delay retrieval of that information. Automatic updates can be downloaded in a matter of seconds.

The real beauty of the eSchedule is that you can see which courses are still available when you are scheduled for priority registration. Note: A link will take you to Campus Central to register.

Feedback and ideas regarding this site would be appreciated. We want this site to work for you.

San Bernardino Valley College Financial Aid Recipient ALERT!

RETURN OF FUNDS REGULATIONS

There is an important federal law about paying back money if you leave school.

If you receive a federal GRANT and then WITHDRAW from all your classes, you will OWE money to the federal program. Here's how it works: According to the day you withdraw, the Financial Aid Office will calculate the part of the grant that you have "earned". If you have been paid more than you "earned", you must pay back the difference. NOTE: If you withdraw after you have earned 60% of your grant, you do not owe any repayment.

If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORK money and withdraw, you do not owe any repayment. You always get to keep wages you have earned.

If you are thinking of withdrawing or just leaving...please, think again.

Immediately see a counselor or advisor and discuss your academic or personal reasons for leaving. Perhaps you can stay but take fewer courses. Maybe there are services (like tutoring or personal support) that will help you stay. Talk to your teachers; see what advice and help they can offer.

Don't leave unless you must. But if you must, take care of business before you go.

Begin the withdrawal process in the Admissions Office, AD/SS, Room 100. This office will tell you all about the process and the rules.

Please work with the Financial Aid Office. You can arrange for regular payments with the federal government without losing your student aid eligibility, so it's important to take care of the details before you go. If you leave without taking care of this business and you owe money, the Financial Aid Office will have to put a national HOLD on your student aid eligibility.

Note: Even dropping a class can affect your financial aid eligibility. Check with the Financial Aid Office before dropping.

7 Steps to Financial Aid

1. Student applies on-line at www.fafsa.ed.gov or mails the 2006-2007 free application for Federal Student Aid (FAFSA) or Renewal FAFSA to the federal processor.
 - Students must list SBVC on FAFSA. Our federal school code is 001272.
 - This process takes four to six weeks!
2. SBVC receives FAFSA data from federal processor.
 - This information is received electronically as long as SBVC is listed on the application.
 - Student completes a Supplemental Application available in the Financial Aid Office
 - If student is new to SBVC, student must complete an Application for Admission to the college. Contact the Admissions & Records office.
3. Student receives Student Aid Report (SAR).
 - Review SAR for accuracy and keep it for your records.
4. SBVC sends Missing Information letter to student.
 - Once your FAFSA data has been reviewed, required documents will be requested from the student. This takes 2-3 weeks from the time the FAFSA data is received and can take longer if you apply past the priority deadline.
5. Student returns requested documents to SBVC.
 - Documents are reviewed for changes and, often, electronic corrections are required.
 - Sometimes additional documents are required and requested.

Your financial aid file is complete!

6. SBVC mails Award Notice to student (or denial letter if not eligible).
7. SBVC disburses financial aid.
 - Financial aid checks are mailed to the address on file in Admissions & Records. Refer to the disbursement schedule mailed with your award letter for specific dates.

*** If student has not completed Steps 105 prior to registration, student submits a Board of Governors Enrollment Fee Waiver (BOG) application. (Apply for BOG before you register!) The BOG covers enrollment fees.

California Community Colleges 2006-2007 Board Of Governors Fee Waiver Application

This is an application to have your enrollment fees waived. This **FEE WAIVER** is for California residents only. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) immediately. Contact the Financial Aid Office for more information. The FAFSA is available at www.fafsa.ed.gov or at the Financial Aid Office

Note: Students who are exempted from paying nonresident tuition under **Education Code Section 68130.5 (AB 540)** are NOT California residents. If you are NOT a California resident, you are not eligible for this fee waiver. Do not complete this application. You may apply for financial aid by completing the FAFSA.

Cheating and Plagiarism

It is the belief at San Bernardino Valley College that students share a responsibility with their instructors for assuring that their education is honestly attained. In keeping with this belief, every instructor has the responsibility and authority to deal with any instances of plagiarism, cheating and/or fabrication that occur in the classroom. Examples of academic dishonesty include (but are not limited to) the following:

Plagiarism: Plagiarism is the act of presenting someone else's work as one's own. Examples include:

- Copying and pasting text from websites or other electronic sources and presenting it in an assignment as your own original work.
- Copying and pasting text from printed sources (including books, magazines, encyclopedias or newspapers) and presenting it in an assignment as your own original work.
- Using another student's work and claiming it as your own original work (even if you have the permission of the other student).

Cheating: Cheating is the act of pretending (or helping others to pretend) to have mastered course material through misrepresentation. Examples include:

- Copying from another student's test or assignment.
- Allowing another student to copy from your test or assignment.
- Using the textbook, course handouts, or notes during a test without instructor permission.
- Stealing, buying or otherwise obtaining all or part of a test before it is administered.
- Selling or giving away all or part of a test before it is administered.
- Having someone else attend a course or take a test in your place.
- Attending a course or taking a test for someone else.

- Failing to follow test-taking procedures, including talking during the test, ignoring starting and stopping times, or other disruptive activity.

Fabrication: Fabrication is the intentional use of invented information. Examples include:

- Signing a roll sheet for another student.
- Giving false information to college personnel.
- Answering verbal or written questions in an untruthful manner.
- Inventing data or sources of information for research papers or other assignments.

As members of the San Bernardino Valley College learning community, students are not to engage in any form of academic dishonesty. Any act of academic dishonesty will be considered a very serious offense that is subject to disciplinary action. The consequences of academic dishonesty may include receiving a grade of "F" for a class or possible expulsion from the college.

Children on Campus and in the Classroom

All children (with the exception of high school students who have been admitted to the college) must be accompanied by an adult while on campus. Children are not allowed in the classroom under any conditions and are not to be left unattended in any campus facility. Should this occur, the College Police should be notified immediately.

Complaints

Any complaint about a grade, an instructor or course content should be made to the instructor involved, then to that instructor's Department Head, then to the Division Dean of that department.

Credit/No Credit

Students who wish to be graded in any class on a Credit/No Credit basis must pick up the appropriate form in the Admissions & Records Office (AD/SS Building). The paperwork must be filed no later than the end of the first 30% of the course. Once Credit/No Credit has been selected as a grading option, a letter grade (A-F) cannot be issued.

Credit Hours (Units)

One credit is awarded for each 16-18 lecture hours of instruction, or for 48-54 laboratory hours, or for appropriate combinations of lecture and laboratory hours. For each hour in lecture, students are expected to spend at least two hours of work outside of class engaged in reading, completing assignments, or other activities related to the course.

Non-Discrimination Policy

San Bernardino Community College District and its two colleges, San Bernardino Valley College and Crafton Hills College, are committed to non-discrimination. Our goal is to provide equal opportunities for all community members in all areas of the college including admission, student financing, student support facilities and activities, and employment. Federal laws and district policies strictly prohibit all types of discrimination, including sexual harassment and inequities based on race, color, religion, sex, age, marital status, physical disabilities or mental impairments, or sexual orientation. The District's non-

discrimination policies are supported by the requirements of Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the education amendments of 1972; the Age Discrimination in Employment Act of 1975; and sections 503 and 504 of the Rehabilitation Act of 1972, as amended, and the Americans with Disabilities Act. San Bernardino Valley College is further committed to overcoming sex discrimination and sex stereotyping in vocational education programs. In addition, the lack of English language skills will not be a barrier to admission and participation in vocational education programs.

Students, job applicants, and employees may complain of any action which they believe discriminates against them on the above-cited grounds.

For information regarding the college's non-discrimination policy or to file a complaint, contact Trudy Largent, Vice Chancellor of Human Resources and Employee Relations, District Building, SBCCD, 114 South Del Rosa Drive, San Bernardino, CA 92408. She can also be reached by calling (909) 382-4041.

Prerequisites, Corequisites, Departmental Advisories, and Limitations on Enrollment

Course information in this schedule of classes may include a prerequisite, corequisite, departmental advisory and/or other limitations on enrollment. A prerequisite is a course or skill that must be completed prior to enrolling in the course. A corequisite is another course that must be taken during the same semester as the course in which you would like to enroll. A departmental advisory is not required, but is a suggested course that would be helpful for you to have completed prior to enrolling.

Students may challenge a prerequisite or corequisite on one or more of the following grounds:

- The student can demonstrate that he/she has the knowledge or ability to succeed in the course or program despite not having satisfied the prerequisite or corequisite.
- The student will be subject to undue delay in attaining his/her educational goal as outlined in his/her student education plan because the prerequisite or corequisite course has not been made reasonably available.
- The prerequisite or corequisite is unlawfully discriminatory or is being applied in a discriminatory manner.
- The prerequisite or corequisite has not been established in accordance with the district's approved process for establishing prerequisites or corequisites or was established in violation of Title V.

It is the student's responsibility to provide documentation to support the challenge. The challenge must be filed in the appropriate Academic Division Office no later than the first week of class. The college will process the challenge within five working days and the student will be advised of the approval or denial. For information on challenging a prerequisite, speak to the Matriculation Coordinator by calling (909) 384-8996.

Probation and Dismissal

A student will be placed on Academic Probation when his/her current or cumulative grade point average following completion of 12 or more units falls below 2.0. A student will be placed on Progress Probation if, following completion of 12 or more units, he/she receives non-evaluative symbols of "W," "I" and/or "NC" in 50% or more of the units in which he/she has enrolled.

A student on Academic or Progress Probation may be dismissed for one semester when one or more of the following conditions exists:

- The student has earned a cumulative grade point average of less than 2.0 for three consecutive semesters
- The student has received non-evaluative symbols of "W," "I" and "NC" in 50% or more of the units for which he/she was enrolled for three consecutive semesters.
- The student has been on Academic and/or Progress Probation for three consecutive semesters.

Students experiencing problems in any class are encouraged to consult with the instructor and a counselor.

Refund Policy for Fees

If a class is cancelled by the college, enrollment and/or non-resident enrollment fees will be refunded in their entirety. If the cancellation results in a student's withdrawal from the college, refunds of the mandatory fees will apply.

If a student drops a class during the registration period and before the first day of the class being dropped...

You will be mailed a refund of enrollment, health and student center fees, minus a \$10 processing fee.

You are eligible for a partial refund:

1. If student withdraws during the first two weeks of full-term classes or during the first 10% of a short-term class, enrollment fees or non-residential fees will be refunded.
2. If a change of program within the first two weeks of full-term classes or during the first 10% of a short-term class results in a reduction in the number of units taken, the enrollment fee will be refunded at the per unit cost of the reduction.

All other fees are non-refundable after the first day of classes.

Refunds of less than \$15 will not be processed.

You are NOT eligible for a refund:

1. If you drop a class after the first 10% of the class.
2. If you are dropped by the instructor.

In all cases...Allow 6-8 weeks for all refund checks. Please be sure the college has your current address. If you wish to apply the refund credit toward registration in another class, you must submit the drop and add at the same time.

Refund Policy for Parking Permits

To be eligible for a refund of the parking permit fee: (a) all classes must be cancelled by the college and such cancellation must result in a student's withdrawal from the college or (b) the student must withdraw from all classes PRIOR to the first day of instruction. The parking permit must be attached to the refund request. Refund Request forms are available through the Administrative Services Office, Room 206.

Repeating a Course

A student may take a course only once. There are two exceptions to this statement. First, if a course number includes x2, x3, or x4, then the course may be taken 2, 3, or 4 times. Second, if a student receives a "D," "F," or "NC" grade, he/she may take the course one additional time. If necessary, a student receiving a "D," "F" or "NC" may petition the Committee to take the class a third time. The petition is subject to approval or denial based on the rationale provided.

Residency

California Residents: The following conditions establish college residency status:

1. If the applicant is less than 18 years, his or her parents or guardian must have resided within California for 12 consecutive months proceeding the first day of the semester.
2. If the applicant is 18 years but not yet 19 years of age, the applicant and the applicant's parents must have resided within California for 12 consecutive months proceeding the first day of the semester.
3. If the applicant is 19 years or older, the applicant must have resided within California for 12 consecutive months preceding the first day of the semester.

1. Applicants who are not residents of California as of the day immediately preceding the first day of classes in any given semester or summer session must pay non-resident tuition fees.
2. Members of the United States armed forces stationed in California on active duty (except those assigned for educational purposes) are exempt from non-resident tuition for the duration of their attendance at a community college as long as they remain on active duty. Dependents are entitled to a waiver of the non-resident fee until they have resided in the state the minimum time necessary to become a resident.

Sexual Harassment Policy

Sexual harassment of students or employees in the academic and work environments violates both federal and state law and district policy, and it will not be tolerated. It also violates law and policy to retaliate against any individual for filing a complaint of sexual harassment, or for participation in the investigation or resolution of a formal or informal, written or oral complaint of sexual harassment. Unlawful harassment on the basis of sex includes, but is not limited to, classroom conditions, grades, academic standing, scholarships, recommendations, employment opportunities, disciplinary action, or any other aspect of college life within the control of the District. Complaints of sexual harassment may be registered with the Vice Chancellor of Human Resources and Employee Relations, District Building, SBCCD, 114 South Del Rosa Drive, San Bernardino, CA 92408, or may be reached by calling (909) 382-4041.

Standards of Student Conduct

In the classroom: Students are expected to take responsibility for helping to create a quality classroom environment. Students are expected to show:

1. **Respect for the instructor:** This includes arriving on time, staying for the entire class period, bringing assignments, textbooks and other appropriate materials to class, refraining from talking while the instructor or classmates are making a presentation, turning off cell phones and other electronic devices during class periods, and using a moderate, mature and respectful tone when participating in group discussions.
2. **Respect for other students:** This includes using appropriate language in public areas and refraining from physically or verbally harassing others in any way.
3. **Academic honesty:** Lack of honesty in the classroom is considered a very serious offense. Any form of cheating on tests or assignments, turning in work that is not one's own (i.e., plagiarism), talking during tests, furnishing false information to college personnel, or Office; Vice President of Student Services, SBVC; SBVC College Police and Safety Services Department.

knowingly misrepresenting oneself to the college is grounds for disciplinary action. The consequences of cheating are severe and may include receiving a grade of "F" for the class or possible expulsion from the college.

4. **Instructor's rights:** An instructor has the right to remove a student from class at any time he or she considers a student's actions to be interfering with a proper collegiate environment. The instructor may also refer the incident to the administration for disciplinary action as warranted.

On the campus: Creating a proper campus environment is also very important for academic and individual success. The SBCCD Board of Trustees has established district-wide standards of student conduct which will be enforced at all times. These rules of conduct are particularly important in large common areas such as the Cafeteria, Bookstore, vending areas, campus quads, and other highly frequented areas.

See Board Policy 5500 for additional information about student conduct.

Student Grievance Policy

In accordance with Board Policy 5530, a student may initiate a grievance against a college employee for any of the following reasons:

- An act or threat of intimidation
- Any arbitrary action or imposition without proper regard to due process

Any student who wishes to discuss a grievance must first attempt to resolve the issue by contacting the employee. The next step requires a conference with the employee's immediate supervisors (first the Department Head, then that employee's Division Dean). Written documentation at each step is necessary, particularly if a grievance is filed. If the alleged problem is still unresolved, the student may request a formal hearing by contacting the Vice President of Student Services in the Administration/ Student Services 200. Before a formal hearing is filed, the student must review Board Policy 5530.

Honors Program

The Honors Program consists of courses for students who demonstrate an above average academic achievement and motivation. Honors courses focus on critical thinking and communication through an in depth analysis of selected topics that are first encountered in introductory courses. Students selecting one of several courses in the Honors Program enjoy enhanced access to scholarships and to the UC and CSU systems. The honors courses range from one to three units. Most courses are accepted by the University of California and California State University systems, and most can be used to satisfy general education requirements. Call Wendy Whitney at (909) 384-8980 for additional information.

STUDENT DISCIPLINARY PROCEDURES

Resolving Student Concerns

San Bernardino Valley College functions within a basic framework that relies on the personal honor and integrity of its students and staff. The framework is fostered in an atmosphere of mutual trust and openness, relying on example and discussion to promote understanding and respect.

Grounds for Disciplinary Action

Student conduct must conform to district and college rules and regulations. Violations of such rules and regulations, for which students are subject to disciplinary action, include, but are not limited to, the following:

- Continued disruptive behavior, willful disobedience, habitual use of profanity or vulgarity, the open and persistent defiance of authority, or persistent abuse of college personnel.
- Dishonesty, such as cheating, plagiarizing or knowingly furnishing false information to the college or to college officials.
- Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Board of Trustees.
- The use or possession of alcoholic beverages on college property or at any college sponsored event, or the presence on campus of anyone under the influence of alcohol.
- Assault, battery or any threat of force or violence upon a student or visitor to the campus or college personnel.
- Willful misconduct which results in injury or death to a student, campus visitor or college personnel, or cutting, defacing, or otherwise harming any real or personal property owned by the District.
- The use, sale or possession of illegal drugs or substance or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code, or the presence on campus of anyone under the influence of such drugs or substances.
- Forgery, alteration or misuse of college documents, records, or identification.

- Violation of college regulations governing student organizations, the use of college facilities or the time, place and manner of public expression or distribution of materials.
- Unauthorized entry to facilities or use of college supplies, equipment, and telephones.
- Possession or use of any firearm, explosive device, dangerous chemical or other deadly weapons while on college property or at college-sponsored activities.
- Driving of motorcycles and other off-road vehicles on college property, other than the regular roads and parking lots.
- Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
- Obstruction of pedestrian and/or vehicular traffic while on college property or at college-sponsored activities.

Types of Disciplinary Action

Disciplinary actions which are imposed by the college for the violation of its rules or the laws of the State of California include the following:

- Reprimand (a verbal or written recognition of a violation of good conduct that admonishes the offender to avoid future infractions).
- Probation (a disciplinary action which returns the offender to the college community on his or her promise of appropriate future behavior; may include, but is not limited to, ineligibility to participate in extra-curricular activities and certain other student privileges).
- Suspension (exclusion from the college and college-sponsored activities for a specified time).
- Expulsion (exclusion by the District Board of Trustees from the college and all college-sponsored activities).

STUDENT GRIEVANCE PROCEDURES

Student Grievance and Due Process

It is the stated policy of the Board of Trustees of the San Bernardino Community College District that, "the relationship between students and college personnel is of vital importance to the learning process." With this principle comes the recognition that there may be many divergent viewpoints and that a process by which these viewpoints can be aired and resolved must be established.

I. Cause and Filing

Student grievance proceedings may be initiated against a District employee or another student for any of the following reasons:

1. Any act or threat of intimidation;
2. Any act or threat of physical aggression;
3. Any arbitrary action or imposition of sanctions without a proper regard to due process as specified in college procedures.

NOTICE:

1. Grades are not grievable (see NOTATION at the end of policy).
2. Sexual harassment complaints are filed in accordance with Board Policy 5510 and are not covered under Student Grievances.
3. Discrimination complaints are filed in accordance with Board Administrative Regulation 3430 and are not covered under Student Grievances.

The San Bernardino Community College District has established a due process procedure which has as its goal the satisfactory resolution of the problem at the lowest possible level.

Who to File a Grievance With?

A student may submit a grievance to any manager or employee in any area for delivery to the Vice President of Student Services who will assess which manager or vice president is to oversee the grievance process.

A student grievance is to be handled in the area where the alleged grievance occurred. Examples are:

- Classroom or teacher-related issues would go to the vice president or manager in Instruction
- Student service or counselor-related issues would go to the vice president or manager in Student Services
- Building, grounds, cashiering, or police-related issues would go to the vice president or manager in Administrative Services

II. Time for Filing a Grievance Notice

The appropriate vice president, district manager, or designee will accept a formal written student grievance when submitted within 180 calendar days of the event's occurrence and under the provisions specified. A grievance may be denied if the events occurred more than 180 calendar days prior to the date in which the grievance was filed in writing.

III. Student Status for Filing a Grievance

Only registered students may file a student grievance. Non-student grievances may be considered by the designated vice president or manager if the grievance is a result of a dispute arising out of the registration or enrollment process and the grievance is filed within thirty (30) calendar days of the alleged incident.

IV. Group Grievance

If more than one student files a grievance against an individual on the same issue or situation, members of the group shall select one person to serve as spokesperson / representative for the entire group.

V. Informal Student Complaint Resolution Process (Non-written)

Step 1. Every effort shall be made to resolve a student complaint at the lowest level possible. A student must first attempt to resolve the issue directly. If this is not practical or possible, or due to the nature of the problem, or failing a resolution the grievance progresses to Step 2.

Step 2. A student who is not satisfied with the Step 1 outcome may next attempt to resolve the alleged problem by conferring with the immediate supervisor of the employee with whom the initial conference was held. If the grievance is alleged against another student, Step 2 would be taken to the Director of Student Life. Upon such a request, the administrator shall inform and confer with any employee or student named by the student. In turn, the administrator shall schedule a meeting with the grievant and if requested, all involved parties, not more than ten (10) school days from the date of the initial request.

VI. Formal Procedures

If the alleged problem is not resolved at the Informal Level, the student may request a formal hearing in writing with the appropriate vice president or designee. This written notice shall state the conditions, practice, alleged act, or injustice that is being grieved, the date(s) of the alleged occurrence and should, if possible, include a proposed remedy or resolution to the problem.

Step 1: Within three (3) working days of receipt of the written student grievance notice, the appropriate Vice President or designee, shall determine if the allegations were filed in a timely manner and meet the criteria outlined. If the student grievance notice fails to meet the above criterion, the Vice President shall notify the student of this determination and the grievance shall be terminated. If the student grievance notice is not terminated, the Vice President shall appoint a Student Grievance Hearing Committee within five (5) working days.

Step 2: Any employee who has conferred with a student who requests a hearing shall prepare a written account of the discussion which shall be forwarded to the appropriate Vice President or designee.

Step 3: The student and any college personnel or student involved in the allegations shall be notified of a hearing and the time and place of the hearing in writing. The notice shall include the names of the Hearing Committee and all documentation relating to the allegation(s).

Step 4: The Hearing Committee shall consist of either a maximum of two faculty or two classified staff members, based on the nature of the classification of staff involved, two students, and one administrator to hear the grievance. The administrator where the issue relates shall serve as chairperson of the hearing committee.

VII. Hearing Procedures

- a. The hearing shall convene within ten (10) working days of the receipt of the student grievance notice unless mutually agreed upon for a delay.
- b. The hearing shall be closed unless the District employee or student against whom the grievance is brought requests that it be open.
- c. The following persons should be present:
 - (1) The Hearing Committee
 - (2) The student grievant and non-legal representative/advocate if any;
 - (3) The college employee or student against whom the grievance is brought and a representative of the appropriate bargaining unit, if any;
 - (4) Witnesses, while presenting testimony.
- d. Both parties shall notify the appropriate Vice President or designee, in writing within three (3) working days of the hearing if he/she will be accompanied by a representative/advocate. Such notification shall include the name and title of the representative. The Committee Chairperson shall be obligated to immediately notify the parties directly involved.
- e. Although minutes will be taken at the hearing to provide a written record, if all parties agree the hearing may also be tape recorded.
- f. All participants in a hearing shall be advised by the Committee Chairperson that the proceedings are confidential.
- g. Witnesses shall not be required to testify under oath; however, witnesses shall be advised that false testimony will constitute grounds for college disciplinary action.
- h. The proceedings will not be bound by formal rules of evidence nor trial-like procedures. Rather, the procedures will be those upon which reasonable persons would rely in the conduct of serious affairs. The Committee Chairperson shall rule on all procedural issues. If substantive or procedural issues arise during the hearing that require external assistance for resolution, the Hearing Committee Chairperson should recess the hearing and submit the issue to the college president for resolution.
- i. Evidence and/or testimony which may be irrelevant or unduly repetitious may be so noted by the Committee Chairperson.
- j. The burden of proof to sustain a grievance rests with the student.
- k. If the grievant fails to appear at the time and place scheduled for the hearing, and fails to notify the committee of the circumstances the grievance will be considered to have been withdrawn and procedures will be terminated. Depending on the nature of the circumstances, the committee shall determine if the hearing should be rescheduled within a reasonable period of time. It is recommended that the defendant participate in the hearing.
- l. Upon conclusion of the hearing, within five (5) working days, the Committee Chairperson shall submit to the Vice President a written report. The report shall include:
 - (1) A brief summary of evidence submitted;

- (2) A finding of facts, supported by a preponderance of the evidence;
 - (3) A recommendation that the grievance be sustained or denied; and
 - (4) In the event the recommendation is to sustain the grievance, a recommendation of appropriate corrective action.
- m. Upon review of the Hearing Committee's report, the Vice President or designee shall make a final determination.

VIII. Notification

Within five (5) working days following receipt of the report of the Hearing Committee Chairperson, the Vice President or designee shall provide a written notification to the student/s and to the employee/s directly involved in the issues as to the final determination.

IX. Appeal to President

If either the complainant or accused is not satisfied with the final college-level disposition of the grievance, the party may, within ten (10) working days, appeal the decision to the College President. The basis of appeals are: All parties shall be notified by the President of the appeal. The President shall provide written notification to the student and to other parties directly involved in the issues as to his/her recommendation within five (5) working days.

X. Appeal to the Chancellor

If either party is not satisfied with the final college-level disposition of the grievance, he/she may, within ten (10) working days, appeal (state the basis of the appeal again) the decision to the Board of Trustees through the District Chancellor. All parties shall be notified by the Chancellor of the appeal. The Chancellor shall report the grievance in closed session to the Board of Trustees for final determination. The Chancellor shall provide written notification to the student and to other parties directly involved in the issues as to his/her recommendation within five (5) working days. The determination of the Board of Trustees is final.

XI. General Provisions

1. The time limits specified in this procedure may be shortened or extended if there is mutual written concurrence between the parties.
2. At any step of the grievance procedure, the college President may designate a substitute for the designated college officials.
3. Failure of the student grievant to appeal a grievance determination at any step to another step within the specified time limits shall be deemed acceptance of the last determination rendered.
4. It is the intent of this policy that the confidentiality of the discussions, including any documents or written records, be maintained by the participants.
5. It will not be mandatory for any staff member to attend the student grievance meetings nor will the student grievance procedure supersede staff member's contractual rights.

DISTRIBUTED EDUCATION

(Online/Hybrid/Telecourse Sections)

General Information

The Office of Distributed Education coordinates the televised and computer-delivered courses available to the students of Crafton Hills College in Yucaipa and San Bernardino Valley College in San Bernardino. Telecourse sections are broadcast by KVCR-TV, channel 24, and generally have five meetings on campus. KVCR is also available on cable and satellite systems, possibly on a different channel as selected by the independent provider. Online and hybrid courses require accessibility to a computer system with an Internet connection, and may have meetings on campus. Fees and academic credits are the same as equivalent traditional classroom courses.

Requirements for Online Courses

Although each class has its own set of technical requirements, generally online classes require a computer with a "modern" operating system (Mac OS X or Windows 2000 or Windows XP), a connection to the internet (usually an Internet Service Provider), a CD-ROM drive, speakers and/or headphones, and the ability to download plug-ins or clients to run on your computer.

How to Succeed In a Telecourse or an Online Course

Successful students claim that determination, planning, and self-motivation are needed to complete a course that lacks the regular meetings of an on-campus structure. Here is a plan of action that might help you.

1. For a telecourse, attend the first on-campus meeting to meet the instructor, understand the course goals and requirements, and receive the course syllabus and assignments. For an online or hybrid course, access the instructor's web site to get a copy of the syllabus and learn what is expected of you as a student.
2. Read the study materials related to assignments as presented by the instructor. Take notes and highlight important information.
3. For a telecourse, watch the programs weekly. If you have a VCR, record the programs to review them or make an appointment at the college Learning Center to view the programs. For an online or hybrid course, log in to your online server several times a week to keep up with new messages from the instructor and classmates.

4. For a telecourse, complete the assignments in the telecourse study guide and textbook after each program viewing. For online and hybrid courses, be aware of due dates and don't wait until the last hour to send them.
5. Formulate a list of questions during your study time to present to the instructor at the telecourse on-campus meetings or to post to your online class or call the instructor during his or her scheduled office hour.
6. Form a support group with other members of the class to review and discuss the content of the course.

Are you a Candidate for a Telecourse, Online or Hybrid Class?

This assessment is provided to help you decide if TV, Online or Hybrid learning is appropriate for you. This exercise is an indicator but not a definitive answer. The assessment covers two parts: Learning Style and Technical Aspects.

Learning Style

- Do you stay on task without direct supervision?
- Can you prioritize your own workload and adhere to timelines?
- Do you usually understand and properly interpret written materials especially instructions?
- Could you allocate as much time in your schedule as you would for a "traditional" class but with more flexibility?
- Are you able to attend some class meetings on campus (less than 6 a semester)?
- Would you enjoy the new experience of learning by way of television or a computer?

If you answered "YES" to the Learning Style questions, continue to the next section.

Technical Aspects for TV

- Do you have a television receiver available to you that can display broadcast channels?
- Can this television receive KVCR-24, either with an antenna or a cable system?
- Do you have a video recorder as an option to record the programs for viewing according to your schedule?
- If you miss a program, could you go to the campus Learning Center to view the program?
- Would you be willing to lease the programs for a course on VHS tape as an option?

If you answered "YES" to the TV questions, you meet the conditions for telecourse delivery.

Technical Aspects for ONLINE and HYBRID

- Do you have a computer system available to you that can access the Internet?
- Could you "go online" on a weekly basis, sometimes twice a week or more?
- Have you opened and sent e-mail messages?

- Have you installed a program after “downloading” it from a remote computer to your computer?
- Do you know how to “copy and paste” text from a word processing document to an email message?

If you answered “YES” to the ONLINE questions, you meet the conditions for online delivery.

Conditions

The TV and Online courses require structure, which you will create for yourself. You will need self-discipline to adhere to your self-made schedule. Much of the material covered in a Distributed Education course will require that you learn from reading textbooks, Internet-based articles, and written materials from the instructor. For some of the courses online, lectures are recorded by the instructor, which means you must use either a cassette player or a CD-Rom drive with headphones or speakers.

Benefits

The beauty of Distributed Education learning is the flexibility of time available for you, as the student, to access the virtual classroom or to view TV programs. You can set your class time around your work schedule and family or social activities. You will soon realize the savings normally incurred with driving time and vehicle-related

costs. If you take only D.E. courses you won’t have to deal with parking constraints on a weekly basis. Plus, there may also be a reduction in childcare costs. You could also benefit by combining D.E. courses with traditional classes. Now it’s your choice. Check with an Academic Counselor to determine which classes you need, then see if they are listed in this schedule. Distributed Education may not be for everybody. However, for those who are self-motivated, it could prove to be an invaluable experience.

Are Online Classes right for me?

Online classes require discipline and self-motivation. If you have these qualities, online classes might work for you. Please visit this website for some self-assessment tools to determine whether online classes fit your learning style and your lifestyle:

http://www.cvc4.org/student_prepare/quizaccess.htm

What are the Minimum Technology requirements?

Although each class has its own set of technical requirements, generally online classes require a computer with a "modern" operating system (Mac OS X or Windows 2000 or Windows XP), a connection to the internet (usually an Internet Service Provider), a CD-ROM drive, speakers and/or headphones, and the ability to download plug-ins or clients to run on your computer.

Please see the list of classes below and visit the Universal Access Point (the URL listed in the next paragraph) for specific technical requirements for each section. If you have access to this technology, you probably have the minimum requirements to take the classes listed below. But please check each section for the specific technical requirements.

What to do after I register for an online or hybrid class?

The Universal Access Point for information for all online and hybrid classes is: <http://online.valleycollege.edu>

Before the semester begins, point your browser to this web page and you will be able to find your online or hybrid class and be linked to all the information you need to begin that class. The information for each online class might be different. So be sure to visit the link for each online and/or hybrid that you have chosen. Do NOT assume that the technical requirements or the processes and procedures for each class are the same.

This Universal Access Point is your gateway for all the information you need to begin your online and/or hybrid classes. In addition, this Universal Access Point will provide you with people to contact if you have further questions about any online and/or hybrid class.

Transfer to the California State University (CSU) and the University of California (UC)

Students who plan to transfer to the UC should refer to the UC Transfer Course Agreement (TCA) for any credit limitation that may apply to courses for their transfer course unit calculation. The TCA may be accessed through ASSIST at www.assist.org. ASSIST provides the most accurate and up-to-date information available about student transfer in California.

Although a course may be designated as transferable to the CSU and/or UC, it may not meet IGETC, CSU GE-Breadth, or major preparation requirements. Major preparation varies from university-to-university at both the UC and CSU.

Students should consult with a counselor and review general education and major requirements. Transfer university representatives meet with students in the Transfer and Career Center.

How Long Will It Take to Complete My Degree?

San Bernardino Valley College offers associate degrees and a wide variety of certificate programs.

The amount of time it will take to complete your associate degree will depend on whether you are attending full-time or part-time, and on your level of preparation and the number of prerequisite courses you are required to take. Typically, a student attending full-time with few prerequisite requirements could complete an associate degree in two years. Students attending part-time could take as long as four or five years.

The amount of time it will take to complete your certificate program will depend on whether you are attending full- or part-time, the number of units required for the certificate, the rotation of courses over a one- or two-year sequence, and on the number of prerequisite courses you are required to take. A very limited number of certificate programs can be completed in one semester. The majority will take one or two years if you attend full-time. Consult with the vocational advisor for your program. A list of vocational advisors is found in this schedule.
