The Honors Program consists of courses for students who demonstrate an above average academic achievement and motivation. Honors courses focus on critical thinking and communication through an in depth analysis of selected topics that are first encountered in introductory courses. Students selecting one of several courses in the Honors Program enjoy enhanced access to scholarships and to the UC and CSU systems. The honors courses range from one to three units. Most courses are accepted by the University of California and California State University systems, and most can be used to satisfy general education requirements.
