Add / Drop Information

Please refer to your registration statement for last day to drop and last day to withdraw.

In as much as the California Education Code prescribes that add and drop dates be course specific, depending upon a number of factors, there may, on occasion be slight inconsistencies in printed and programmed dates. Such inconsistencies should they occur, may be dealt with on a case-by-case basis.

For refunds, students must drop before 10% of the instructional days have passed. In order not to receive a "W" for a class, students must drop before 30% of the instructional days have passed. Students dropping after 30% of the instructional days have passed will receive a "W".
