

# Welcome to San Bernardino Valley College!

*Follow these easy steps, and it will take you from application to registration.*

## **STEP 1. APPLICATION (ADMISSIONS)**

An application must be completed by all **NEW** students and returning students who have had a break in enrollment. You may apply online at <http://www.valleycollege.edu> and click on "Apply and Register."

Upon completion of the application process, you will receive a **Student Identification Number (new students)**. This is mandatory for all the other steps of enrollment!

**ADMISSIONS OFFICE: AD/SS-100 Phone: (909) 384-4401**

## **STEP 2. ASSESSMENT**

After completing your application, you may take the assessment exam for placement into **English, reading and math, or ESL (English as a Second Language)**. Appointments can be made through Admissions or by calling the **Assessment Office: (909) 384-8955**.

Note: Assessment testing begins promptly at the times designated, so do not be late. You **must** bring your **Student Identification Number** and a **valid photo identification card**. Upon completion of the assessment, you will be given an appointment for orientation which will be conducted by a counselor. You will have an opportunity to develop a one semester education plan at that time.

## **STEP 3. ORIENTATION**

Orientation will inform you how the college system works for you! You will learn about: Student Support Services, Financial Assistance, Clubs and Organizations, Academic Success Tips, How to Establish an Educational Goal, Course Requirements for Associate, Certificate, and Transfer Programs, rights and responsibilities as a student, and other information for your academic success.

After Orientation, you will be ready to register for classes. (If you prefer further guidance, make an appointment with a counselor later during the semester to develop a long-term education plan and you can register for SDEV 010 – a course in Educational Planning).

## **STEP 4. REGISTER FOR CLASSES**

Follow the advice that you received in Orientation, use the Education Plan provided to you by the counselor and pick the courses that apply to your goal. You may register online on or after your priority registration date.

## **STEP 5. PAY FEES**

**Fees can be paid in four ways:**

1. Online: [www.valleycollege.edu](http://www.valleycollege.edu) (by credit card)
2. U.S. Mail (by check or money order). PLEASE WRITE YOUR STUDENT ID# ON THE CHECK OR MONEY ORDER.
3. Place your check or money order in drop-box located in front of the Admissions Office. PLEASE WRITE YOUR STUDENT ID# ON THE CHECK OR MONEY ORDER.
4. In person at the Admissions Office.

Financial Aid is available to those who qualify. Go to the Financial Aid Office (AD/SS-106) or visit the website at [www.valleycollege.edu](http://www.valleycollege.edu) for additional information.

## **STEP 6. COUNSELING**

As a new student, seeing a counselor is very important. A counselor is an excellent resource tool to help you with career choices and to answer questions that you have regarding your educational goal. Counselors will help you find the right level of course study and assist you in creating an Educational Plan as well as direct you to other services.

*Please schedule an appointment with a counselor during a "non-registration" time period. The recommended time is between: September – October or February – April. Counselors are available throughout the Fall and Spring Semesters on a drop-in basis.*

## FEES, PAYMENT OPTIONS & YOUR RESPONSIBILITIES

SBVC is one of the most affordable colleges in the country, but it isn't free. You are responsible for all fees related to your enrollment.

As a student at SBVC, you are responsible for registering for your classes, paying your fees, and if necessary, dropping your classes. If your fees are not paid in full, the college may drop you from your classes, **but this may not happen, and you should not rely on it.** If you do not drop your classes, you owe the fees, and may receive failing grades. So please – pay your fees on time and drop any classes that you can't complete.

### RESIDENCY

**To be declared a California resident**, you must have been physically present in the state, continuously, for a year prior to the beginning of the term during which time you must have taken steps to make California your permanent residence. In matters of residency, the burden of proof lies with the student. **If the applicant is not 18 years or older**, s/he may derive residency status from their parents (or guardian) if the parent (or guardian) has established residency according to the above standard.

**Non-California Residents** are welcome to attend SBVC but are required to pay non-resident tuition, as well as the enrollment fees paid by California residents.

**Members of the United States armed forces** stationed in California on active duty are exempt from non-resident tuition for the duration of their attendance at a community college as long as they remain on active duty. Spouses and dependents are entitled to a waiver of the non-resident fee as long as they are continuously enrolled.

### AB 540

1. SBVC, in compliance with California law, will waive non-resident tuition for non-resident students if they meet all of the following criteria:
  - You have attended a California high school for at least 3 years
  - You have a high school diploma (or equivalent)
  - You have applied for legal status – or will sign an affidavit stating your intent to do so.

**High school students** may benefit from the challenge of a college level course and the more mature climate of the SBVC campus. To be considered for special admission to SBVC as a concurrently enrolled high school student, you must complete a regular admission application, a petition for concurrent high school enrollment, an emergency youth contact card and submit an official copy of your high school transcript (forms available at [www.valleycollege.edu/admissions/highschool](http://www.valleycollege.edu/admissions/highschool)). These forms must be submitted **no later than** two weeks before the beginning of class. High school students are limited to one course per term.

**If you want to enroll in a transfer level course** you must be a junior or senior, have the approval of your parent (or guardian) and your high school principal (or designee). You must also have a 3.0 GPA, although other factors will be taken into account, including test scores and your success in your high school courses.

**If you want to enroll in a technical/vocational course** you must be in at least the ninth grade, have the approval of your parent (or guardian) and your high school principal (or designee). You must also have a 2.0 GPA, although other factors will be taken into account, including test scores and your success in your high school courses.

Courses available at your high school cannot be taken at the college.

**Things to consider before you enroll** – you should be aware that enrollment in a college course creates a permanent record that must be reported to any college you apply to in the future. College courses may or may not be accepted by your high school – please check with your high school in advance. College courses may contain adult content. High school students are expected to comply with all SBVC rules and regulations as listed in the SBVC Catalog. Parents/guardians do not have a right to access college records without the student's written consent or a court order.

# DISTRIBUTED EDUCATION

(Online & Hybrid Sections)

## General Information

The Office of Distributed Education coordinates all courses which are computer based in their delivery (to include Hybrid courses) and are available to the students of Crafton Hills College in Yucaipa and San Bernardino Valley College in San Bernardino. Online and Hybrid courses require accessibility to a computer system with an Internet connection and may have meetings on campus. Fees and academic credits are the same as equivalent traditional classroom courses.

## Office Location

SBCCD Annex  
441 West Eighth Street  
San Bernardino, CA 92401  
(909) 384-4325

## Distributed Education Website

<http://dets.sbccd.org>

## Requirements for Online Courses

Although each class has its own set of technical requirements, generally online classes require a computer with a "modern" operating system (Mac OS X or Windows 2000 or Windows XP), a connection to the Internet (usually an Internet Service Provider), a CD-ROM drive, speakers and/or headphones, and the ability to download plug-ins.

## Technical Support

Help Desk, (877) 241-1756  
24 hours/day, 7 days a week

## How to Succeed in a fully Online Course or Hybrid Course

Successful students claim that determination, planning, and self-motivation are needed to complete a course that lacks the regular meetings of an on-campus structure. Here is a plan of action that might help you.

1. For an online or hybrid course, access the instructor's website to get a copy of the syllabus and learn what is expected of you as a student.  
For a hybrid course, attend the first on-campus meeting to meet the instructor, understand the course goals and requirements, and receive the course syllabus and assignments.
2. Read the study materials related to assignments as presented by the instructor. Take notes and highlight important information.
3. Log in to your online server several times a week to keep up with new messages from the instructor and classmates.
4. Be aware of due dates and do not wait until the last hour to send them.
5. For a hybrid course, formulate a list of questions during your study time to present to the instructor at the on-campus meetings or to post to your online class or call the instructor during his or her scheduled office hours.
6. Form a support group with other members of the class to review and discuss the content of the course.

## Are you a Candidate for an Online or Hybrid Class?

This assessment is provided to help you decide if online or hybrid learning is appropriate for you. This exercise is an indicator but not a definitive answer. The assessment covers two parts: Learning Style and Technical Aspects.

### Learning Style

- Do you stay on task without direct supervision?
- Can you prioritize your own workload and adhere to timelines?
- Do you usually understand and properly interpret written materials, especially instructions?
- Could you allocate as much time in your schedule as you would for a "traditional" class but with more flexibility?
- Are you able to attend some class meetings on campus (less than 6 a semester)?
- Would you enjoy the new experience of learning by way of a computer?

If you answered "YES" to the Learning Style questions, continue to the next section.

### Technical Aspects for ONLINE and HYBRID

- Do you have a computer system available to you that can access the Internet?
- Could you "go online" multiple times a week?
- Have you opened and sent e-mail messages?
- Have you installed a program after "downloading" it from a remote computer to your computer? Do you know how to "copy and paste" text from a word processing document to an email message?

If you answered "YES" to the ONLINE questions, you meet the conditions for online delivery.

### Conditions

Online courses require structure, which you will create for yourself. You will need self-discipline to adhere to your self-made schedule. Much of the material covered in a Distributed Education course will require that you learn from reading textbooks, Internet-based articles, and written materials from the instructor.

### Benefits

The beauty of Distributed Education learning is the flexibility of time available for you, as the student, to access the virtual classroom or to view TV programs. You can set your class time around your work schedule and family or social activities. You will soon realize the savings normally incurred with driving time and vehicle-related costs. If you take only D.E. courses you won't have to deal with parking constraints on a weekly basis. Plus, there may also be a reduction in childcare costs. You could also benefit by combining D.E. courses with traditional classes. Now it's your choice. Check with an Academic Counselor to determine which classes you need, then see if they are listed in this schedule. Distributed Education may not be for everybody. However, for those who are self-motivated, it could prove to be an invaluable experience.

## Are Online Classes right for me?

Online classes require discipline and self-motivation. If you have these qualities, online classes might work for you. Please visit this website for some self-assessment tools to determine whether online classes fit your learning style and your lifestyle:

[http://www.cvc4.org/student\\_prepare/quizaccess.htm](http://www.cvc4.org/student_prepare/quizaccess.htm)

*What are the Minimum Technology requirements?*

Although each class has its own set of technical requirements, generally online classes require a computer with a "modern" operating system (Mac OS X or Windows 2000 or Windows XP), a connection to the internet (usually an Internet Service Provider), a CD-ROM drive, speakers and/or headphones, and the ability to download plug-ins or clients to run on your computer.

Please see the list of classes below and visit the Universal Access Point (the URL listed in the next paragraph) for specific technical requirements for each section. If you have access to this technology, you probably have the minimum requirements to take the classes listed below, but please check each section for the specific technical requirements.

*What to do after I register for an online or hybrid class?*

The Universal Access Point for information for all online and hybrid classes is:

<http://online.valleycollege.edu>

Before the semester begins, point your browser to this web page and you will be able to find your online or hybrid class and be linked to all the information you need to begin that class. The information for each online class might be different. So be sure to visit the link for each online and/or hybrid that you have chosen. Do NOT assume that the technical requirements or the processes and procedures for each class are the same.

This Universal Access Point is your gateway for all the information you need to begin your online and/or hybrid classes. In addition, this Universal Access Point will provide you with people to contact if you have further questions about any online and/or hybrid class.

## SERVICES AND POLICIES FOR STUDENTS

### ACAD (ACademic ADvancement) Lab

The ACAD Lab serves as an overflow facility when the Library Computer Lab is full. Self-paced, open entry basic skills classes utilizing the PLATO software program are also held in the lab. Hours may vary. Please call (909) 384-4439 for more information.

### Address Changes

Forms to change a mailing address are on the website [www.valleycollege.edu](http://www.valleycollege.edu) and in the Admissions Office (AD/SS-100). Identification is required for change of student information.

### Associated Student Government

The Associated Student Government (ASG) is the official student government organization. The ASG represents all SBVC students. The primary responsibility of ASG members is to represent student interests on college, district and statewide committees. Students can become active in ASG either by running for office during the Spring semester or by requesting an appointment during the Spring semester. The ASG Office is in Campus Center, Room 128 or call (909) 387-1614.

The Office of Student Life (OSL) assumes a leadership role in creating a campus environment that integrates the learning experience with academic curriculum. We provide opportunities to develop and enhance characteristics of leadership, interpersonal skills, and personal growth.

### ASB Discount Sticker

Students who purchase a sticker are entitled to many benefits including a 5% Bookstore discount, free admission to athletic events, and certain discounts at local businesses. The sticker is purchased at the point of registration or at the Bookstore after obtaining a student ID card. For more information, contact the ASG office at (909) 387-1614.

### Attendance

Students will be told at the beginning of each class exactly what is expected regarding attendance. The instructor's decision is final. In the event that an absence is unavoidable, students are responsible for notifying instructors. Failure to attend class meetings during the first week of a term may result in a student being dropped from the class.

### Auditing

Attending classes without formally registering is NOT permitted.

### Bookstore

The Bookstore, located in the Campus Center, Room 123, sells textbooks and a wide variety of supplies, software, sportswear, accessories, bus passes and gift items. The Bookstore has the upcoming session's textbooks available one week prior to the start of classes. Bookstore hours vary throughout the semester. Call (909) 384-4435 or visit

their website at [www.sbvcbkbookstore.com](http://www.sbvcbkbookstore.com) for additional information.

#### Check Acceptance Policy for the Bookstore:

The Bookstore will accept payment with a check if the following conditions are met:

- The student must present a valid driver's license or a California state identification card.
- The check must be imprinted with a name and street address. (Post Office boxes are NOT accepted.)
- A phone number is required.
- The check must be made out to the "SBVC Bookstore" and will be accepted for the amount of purchase only.

#### Refund Policy for the Bookstore:

- Textbook refunds are given the first two weeks of the Fall/Spring semesters and the first week of Summer sessions. Students enrolled in short-term classes have exactly one week from the start date of class for textbook return/exchange. After the above refund period, textbooks must be returned within 24 hours from the date of purchase in order to qualify for a refund. Textbooks purchased November 2<sup>nd</sup> through the end of the fall semester are **not returnable**.
- Supplies will be refunded if the items are returned in new, unopened condition within three days from the date of purchase.
- An original register receipt and personal identification are required to exchange/return items. (Note that there will be a seven-day period from the day a check was written to the day a cash refund will be distributed.)
- To receive a full refund, new textbooks must be returned in brand new condition. If they are not, refunds will be at 75% of the new price.
- No refunds will be given on shrink-wrapped textbooks, reference books or special order books.

#### Buyback Policy for the Bookstore:

Textbooks can be sold back to the Bookstore during the first and last week of each semester or session. (Please note that the Bookstore does NOT buy back workbooks.) The Bookstore will buy back textbooks at 50% of the new price and 50% of the used price if:

- The textbook has been assigned by an instructor for the upcoming semester.
- The book is in good condition.
- The book is on the Buyback "Guarantee" Program.
- The book is needed by the Bookstore.

A book wholesaler manages the buybacks and may also buy other books at up to 30% of the original price.

### Bulletin Boards

The Student Life Office must approve all posters, ads and announcements before these items can be posted on public campus bulletin boards. Note: some bulletin boards are for private office use only and are identified with the office name.

## Campus Business Office

The Campus Business Office is located in the Administration/Student Services (AD/SS) Building, Room 206. The paperwork must be filed no later than the end of the first 30% of the course. Once Pass/No Pass has been selected as a grading option, a letter grade (A-F) cannot be issued.

### **Prerequisites, Corequisites, Departmental Advisories, and Limitations on Enrollment**

Course information in this schedule of classes may include a prerequisite, corequisite, departmental advisory and/or other limitations on enrollment. A prerequisite is a course or skill that must be completed prior to enrolling in the course. A corequisite is another course that must be taken during the same semester as the course in which you would like to enroll. A departmental advisory is not required, but is a suggested course that would be helpful for you to have completed prior to enrolling.

Students may challenge a prerequisite or corequisite on one or more of the following grounds:

- The student can demonstrate that he/she has the knowledge or ability to succeed in the course or program despite not having satisfied the prerequisite or corequisite.
- The student will be subject to undue delay in attaining his/her educational goal as outlined in his/her student

education plan because the prerequisite or corequisite course has not been made reasonably available.

- The prerequisite or corequisite is unlawfully discriminatory or is being applied in a discriminatory manner.
- The prerequisite or corequisite has not been established in accordance with the District's approved process for establishing prerequisites or corequisites or was established in violation of Title V.

It is the student's responsibility to provide documentation to support the challenge. The challenge must be filed in the appropriate Academic Division Office no later than the first week of class. The college will process the challenge within five working days and the student will be advised of the approval or denial. For information on challenging a prerequisite, call staff in the Counseling Office at (909) 384-4404.

### **Probation and Dismissal**

A student will be placed on Academic Probation when his/her current or cumulative grade point average following completion of 12 or more units falls below 2.0. A student will be placed on Progress Probation if, following completion of 12 or more units, he/she receives non-evaluative symbols of "W," "I" and/or "NC" in 50% or more of the units in which he/she has enrolled. A student on Academic or Progress Probation may be dismissed for one semester when one or more of the following conditions exists:

- The student has earned a cumulative grade point average of less than 2.0 for three consecutive semesters.
- The student has received non-evaluative symbols of "W," "I" and "NC" in 50% or more of the units for which he/she was enrolled for three consecutive semesters.
- The student has been on Academic and/or Progress Probation for three consecutive semesters.

Students experiencing problems in any class are encouraged to consult with the instructor and a counselor.

### **Refund Policy for Parking Permits**

To be eligible for a refund of the parking permit fee: (a) all classes must be cancelled by the college and such cancellation must result in a student's withdrawal from the college or (b) the student must withdraw from all classes PRIOR to the first day of instruction. The parking permit must be attached to the refund request. Refund Request forms are available through the Campus Business Office, Administration/Student Services Building, Room 206.

### **Repeating a Course**

A student may take a course only once. There are two exceptions to this statement. First, if a course number includes x2, x3, or x4, then the course may be taken 2, 3, or 4 times. Second, if a student receives a "D," "F," or "NC" grade, he/she may take the course up to two additional times. If necessary, a student receiving a "D," "F" or "NP" may petition to take the class a fourth time. The petition is subject to approval or denial based on the rationale provided.

### **Transfer to the California State University (CSU) and the University of California (UC)**

Students who plan to transfer to the UC should refer to the UC Transfer Course Agreement (TCA) for any credit limitation that may apply to courses for their transfer course unit calculation. The TCA may be accessed through ASSIST at [www.assist.org](http://www.assist.org). ASSIST provides the most accurate and up-to-date information available about student transfer in California.

Although a course may be designated as transferable to the CSU and/or UC, it may not meet IGETC, CSU GE-Breadth, or major preparation requirements. Major preparation varies from university-to-university at both the UC and CSU.

Students should consult with a counselor and review general education and major requirements. Transfer university representatives meet with students in the Transfer and Career Center.

### **How Long Will It Take To Complete My Degree?**

San Bernardino Valley College offers associate degrees and a wide variety of certificate programs.

The amount of time it will take to complete your associate degree will depend on whether you are attending full-time or part-time, on your level of preparation and the number of prerequisite courses you are required to take. Typically, a student attending full-time with few prerequisite requirements could complete an associate degree in two years. Students attending part-time could take as long as four or five years.

The amount of time it will take to complete your certificate program will depend on whether you are attending full- or part-time, the number of units required for the certificate, the rotation of courses over a one- or two-year sequence, and on the number of prerequisite courses you are required to take. A very limited number of certificate programs can be completed in one semester. The majority will take one or two years if you attend full-time. Consult with the vocational advisor for your program. A list of vocational advisors is found in this schedule.
