

Important Changes Starting Summer 2012

○ Why did enrollment fees go up from \$36/unit to \$46/unit?

The California Legislature sets the enrollment fee structure for all 112 community colleges in California. As part of their budget cuts in 2011, the Legislature increased enrollment fees from \$36 per unit to \$46 per unit starting in summer 2012. Please note that students enrolling at SBVC will be required to pay these higher per-unit fees starting with the summer 2012 term. Information on financial aid is available by visiting www.valleycollege.edu or stopping by the Financial Aid office in the Administration/Student Services Building (AD/SS) Room 106.

○ Why did the name of my Priority Registration category change?

Starting with the summer 2012 term, new titles have been given to registration categories without changing the actual criteria for qualifying within that category. For example, what was previously titled "Priority Registration" (EOP&S, DSPS, Veterans, etc.) has been newly-titled as "Priority A". Consequently, the previous title of "Category A" (40-109 units completed and athletes) has been changed to "Priority B" and so on. As an additional example, if you registered during "Category C" in spring 2012 (15-29.9 units completed at SBVC), the corresponding title for that same registration priority level is now called "Priority D". Although it may appear on the surface that your priority registration category dropped for summer 2012, it is simply a shifting of the naming of the categories and any units completed at SBVC will be reflected in your priority registration eligibility. If you have any questions about your priority registration category, please contact the SBVC Admissions/Records Office in AD/SS 100.

○ How many times can I repeat a class?

Beginning in summer 2012 and in compliance with new Title 5 regulations, San Bernardino Valley College students who are attempting to improve a substandard grade in a non-repeatable course will be limited to three enrollments in that course, including any enrollments which took place prior to Summer 2012. For example, if a student initially enrolled in MATH 095 and earned an F, then later enrolled in MATH 095 and withdrew, and again enrolled in MATH 095 and earned a D, that student would no longer be allowed to enroll in MATH 095. Contact the Admissions/Records Office in AD/SS 100 with specific questions.

○ Can I still apply for financial aid if I don't have a high school diploma or GED?

All first-time SBVC students without a high school diploma or a GED who enroll in classes on or after July 1, 2012, will not be eligible for federal financial aid as a result of the Consolidated Appropriations Act of 2012 passed by Congress. This law applies to all colleges and universities. Students without a high school diploma or GED can still apply for scholarships and the Board of Governors (BOG) Waiver if they meet income and residency qualifications. For more specific information, contact the Financial Aid Office in the Administration/Student Services Building (AD/SS) Room 106.
