<sup>1</sup> This course was approved for an Emergency DE Addendum only and can only be offered online in the event of a State of Emergency declared by the San Bernardino Community College District.

### **Rationale: Distance Education Delivery**

One of the planning themes and goals of San Bernardino Valley College (SBVC) is student access. The faculty and curriculum committee have worked tirelessly these last few months to examine course delivery and make curricular adjustments to meet the necessary demand for distance education. To meet the student demand and keep courses available during this pandemic, faculty have submitted these distance education addendums for approval to be able to maintain our continuous quality instruction during this time. Some addendums noted above with an asterisk are approved in the event of an emergency only, like a pandemic. Other courses without an asterisk are approved to be offered in the online format any time. The online delivery method of these courses supports the mission of SBVC by providing access to education to a diverse community of learners who find themselves in a community with complicated lives and difficult and demanding schedules and responsibilities.
