NOTES

- Allen Moore requested to receive agenda/outline information earlier. As referenced within the 09-09-02 MINUTES in response to Bob Stafford's request, "Every effort will be made to have the information to the FULL committee after the PREVIEW meeting. However, consideration should be made in that PREVIEW sometimes asks for further action to the outlines. Therefore, there is the possibility that information will be delayed due to the changes requested by PREVIEW. **NOTE: If sufficient time for review is not allowed for the FULL committee, requests/outlines will be postponed until the next FULL committee meeting**".
