-------------------------	----------------------------------	--	--

DISCUSSION TOPICS

- Definition of LAB from State Chancellor's Office will be forwarded to all Committee members for future discussion. Evaluate course by course. A definition from members present: instructor-guided, directed learning, use of equipment, not always available to students, practical application of the lecture.
- TECALC 087, 950 (POSTPONED)
- Spring 2008 Curriculum Calendar - Please review
- In-Service Curriculum Meeting on January 11, 9-12:15 p.m. This will provide us with an additional opportunity to approve Curriculum Committee level courses and programs for Fall 2008.
