NOTES

The committee reviewed the calendar of semester meetings.

The Technical Review committee will begin reviewing the RTVF package to move forward to the full committee.

Patti informed the committee that she will again conduct the curriculum workshops in addition to a campus-wide forum. The committee suggested that departments schedule the committee chair to attend department meetings as available.

Curriculum members are encouraged to print a content review report for their review, in addition to providing a copy to the department chair and dean of their respective department. All are encouraged to share this information with members of the faculty who are due for content review and those who have content review pending in the future.
