DISCUSSION TOPICS

1. Call to order: 2:00 PM
2. Approval of Minutes: 8/24/09 Approved
3. Old Business:
 - a. Goals for the upcoming academic year.
 - i. Should the SLOs be attached to the COR for all courses going through content review? The VPI has asked that we present this question to the Senate. Previously the Senate voted to have them attached only for new courses.
 1. Clarification on the above. In F2007 the then VPI requested that SLOs be part of the curriculum approval process and that SLOs be part of the COR. The Senate did not support this recommendation. In consequence the VPI asked that all new courses have the SLOs included in the COR as an attached file.
 2. Will be presented to the Senate during the next meeting (Open, Rebecca; EDC September 09)
4. New Business:
 - a. Course Repetition – Title 5, §55043, 55041.
 - i. The committee was informed about changes that have occurred in Title 5 and discussion followed on how CTE courses should be submitted. Currently we are renumbering the courses A, B, C etc. This method probably will not be compliant with Title 5. Discussion followed and the suggestion was made that we determine how DATATEL (DCS) is going to track and enforce repeatability during the registration process. (Open, Achala; EDC October 2009)
5. Curriculum Presentations:
 - a. Course Deletions:
 - i. CRMJUS 043, 044, 055, & 071
