### DISCUSSION TOPICS

1. Call to order: 2 PM
2. Approval of Minutes: 9/14/09 & 9/28/09 APPROVED
3. Old Business:
  - a. Goals for the upcoming academic year.
    - i. Should the SLOs be attached to the COR for all courses going through content review? The VPI has asked that we present this question to the Senate. Previously the Senate voted to have them attached only for new courses.
      1. Clarification on the above. In F2007 the then VPI requested that SLOs be part of the curriculum approval process and that SLOs be part of the COR. The Senate did not support this recommendation. In consequence the VPI asked that all new courses have the SLOs included in the COR as an attached file.
      2. **The Senate would like to know if other colleges are attaching SLOs to their CORs. An inquiry will be sent out on the List serve.**
      3. **Have not been able to complete this.** (Open, Rebecca; EDC September 09)
4. New Business:
  - a. Curriculum Presentations: See below
  - b. Templates
    - i. Template for advisory committee minutes which contains a sheet with the name of the member, their title, and the industry they represent.
      1. **Gloria Fisher may be working on this type of template and we will contact her for information.** (Open: Rebecca; EDC November 09)
    - ii. Template for Work Experience Courses. There has been some confusion about if a template actually exists. We have determined that there is not a template and faculty have been looking at current courses and using them as a guide.
      1. **Kay Ragan has a template that she will bring to the next meeting for the committee to review.** (Open: Rebecca; EDC December 09)
5. Other items – Geography and GIS degree and certificate will be held until all courses have been approved. Psychiatric Technology certificate is awaiting submission of BIOL.
6. Next Meeting: **10/26/09**
7. Adjournment: 3:15 PM
