DISCUSSION TOPICS

1. Call to order: 2 PM
2. Approval of Minutes: 10/26/09 (Postponed)
3. Old Business:
 - a. Templates
 - i. Template for Work Experience Courses. There has been some confusion about if a template actually exists. We have determined that there is not a template and faculty have been looking at current courses and using them as a guide.
 1. **Kay Ragan has a template that she will bring to the next meeting for the committee to review.**
 2. **Kay has suggested that the Work Experience Course submitted by Culinary Arts be used as the template. A template will be developed and added as a link in Curricunet.**
 3. **Nicole will be inserting a link in Curricunet.** (Closed)
 - b. Glenn Drewes asked for clarification regarding the addition of Departmental Advisories for transfer level courses. Please refer to the minutes of the Curriculum Committee for 9-28-09. At that meeting the following discussion occurred and the committee approved this recommendation
 - i. **Cindy also suggested that any transfer level course should have a departmental advisory indicating that the student should be eligible for English 101 and Math 102 for computational courses. The requisite analysis would be done on ENGL 015 and the appropriate math course.**
I presented this recommendation to the Senate and it was approved.
 - ii. At today's meeting we seem to have changed this recommendation. The committee decided to have the Departmental Advisory state **"ENGL 015" and not include the statement "or eligible for ENGL 101"**. I believe, reluctantly, that we need to clarify our position. (I apologize for not having the minutes with me at today's meeting.)
 - iii. **After a lengthy and lively discussion the committee has been unable to agree on how we want to proceed with this item. Discussion is ongoing. This item is tabled until the next meeting.** (Open; Rebecca, November 09)
4. New Business:
 - a. Curriculum Presentations: See below
5. Other items: Change in BIOL 155. (Pre-req)
6. Next Meeting: **12/7/09**
7. Adjournment: 4:45 PM
