 Subject: Business Administration Degree and Certificates AND Automotive Degree and Certificates

We have been working on all the suggested changes to the Business Administration Degree and Certificates. I believe we have addressed everyone's concerns and implemented all the suggestions. Please review these programs which are in the full committee queue. I would like to have an on-line vote for these three programs. Please submit your vote by 1200 Noon tomorrow, December 10th. I understand that this is a very short turn around, but we would like to have these submitted with the next Board Document. The deadline for this document is also tomorrow.

We have approved new auto courses during the semester, now we need to get the degree and certificates updated and into the catalog. We have just moved them into the full committee queue, so please take a look at them and vote on-line. Please submit your vote ASAP or by 1200 noon on Monday December 14th.
