DISCUSSION

1. California Education Code sections 66745-66749 (SB 1440 Transfer Degree) – Cindy Parish

Because not all proposed TMCs may align with majors offered at the top three CSU transfer universities (CSU San Bernardino, Cal Poly Pomona, and CSU Fullerton) for SBVC, it may not be in the best interest of our students to create degrees based on all TMCs. Cindy shared that Ed Code Section 66746 (c) states “A community college district is encouraged to consider the local articulation agreements and other work between the respective faculties from the affected community college and California State University campuses implementing the requirements of this section.” Thus, articulation agreements should have a high consideration in the choice of which TMCs to adopt in the creation of transfer degrees. Even though the law requires that CSU is obligated to accept the degrees in lieu of lower-division major preparation offered at the CSU, TMCs are one path of many for transfer to the CSU.

A Sociology degree based on the TMC is in process of development by Romana Pires. Another possibility for a transfer degree is Mathematics. SBVC needs two transfer degrees in place by Fall 2011 to be compliant with the law.

2. Independent Study Template – Achala Chatterjee

Achala had sent the proposed Independent Study Template to all SBVC academic faculty on February 2nd with a request to review the modified template and to provide suggestion for improvement. The suggestions were incorporated and the revised template was presented to the Curriculum Committee for approval. The Curriculum Committee members suggested a few more changes. The template has been updated and is being sent to the Curriculum Committee members for an on-line vote. Once approved, the revised Independent Study Template will be posted in the Curricunet.
