DISCUSSION TOPICS
<p>1) Prerequisite and Corequisite Board Policy and Administrative Procedures - The committee discussed their interpretation of Title 5 and what they felt it meant in relation to our District BP and AP. Some clarification was provided in regards to what the Curriculum Committee was charged with by our Academic Senate. The committee was provided with a copy of the Title 5 changes related to Prerequisites, and were asked to compare the new language with our district BP and AP to assure we are in compliance with the recent changes to Title 5. The Curriculum Committee was asked to be prepared to make a recommendation at our next meeting, indicating if changes were needed.</p> <p>2) Independent Study Template - The committee recommended further changes. Those changes will be made by Nicole, and submitted for final review by the committee.</p>
