### DISCUSSION TOPICS

REPEATABILITY UPDATE – Options for course ID were discussed. After discussion, the committee voted to utilize letters A, B, C and D when leveling x4 courses. (14 YES/1 ABSTAIN)

CHILD DEVELOPMENT – A discussion with regard to the addition of a READ advisory/prerequisite to some of the CD courses ensued. The department explained that the department’s advisory committee has met and came to an agreement with the curriculum committee’s 2009 request to add an ENGL advisory. The CD department did not agree with the need to place READ as an advisory or prerequisite at this time. The Curriculum Committee voted on the CD proposals that did not have comments (consent agenda included CD 073, 126, 127, 133, 134, 136, 138, 185 AND 186). The Curriculum Committee voted in favor of approving the consent agenda as submitted. Some Curriculum Committee members would like for the CD department to still consider READ as an advisory/prerequisite in the future. However, the courses were approved as submitted.
