Updated rationale: Update the course to reflect change in pre-requisite/co-requisite. WST 052 is changing from departmental advisory to a pre-requisite or co-requisite to improve student success. WST 052 is already required as part of Water Supply Technology Certificate, thus will not require additional course work for students. This change will only encourage students to enroll in WST 052 earlier in the water supply sequence of courses. MATH 942 is changing to MATH 952 to increase student success, and provide students with another option for those pursuing an Associate of Science Degree in Water Supply Technology.	<b>FALL 2016</b>
