**Discussion:**

**SI Template:** Shared/Distributed to Department Chairs and the Academic Senate. After gathering input from the Academic Senate and Department Chairs, the Curriculum Committee approved the SI Template (9 approve, 2 Abstained). Faculty currently offering Supplemental Instruction (SI) will not be required to launch an SI COR. It will remain an option for those that are interested. Faculty that decide to launch an SI COR, and go through the curriculum process, will be provided a section in the class schedule. It will be noted in the schedule that the SI attached to a certain section is not required, but highly recommended.
