Content Review:	
Noncredit Courses	Mary discussed the future of Noncredit at SBVC. Curriculum is a faculty purview and noncredit should be treated as such. Per the Academic Senate, if noncredit courses are offered in our service area, they can be offered offsite. Positive attendance needs to be generated. We are working to create a noncredit approval process through CurricUNET, where the Noncredit Coordinator would review proposals prior to the committee. The VOCED course falls under CTE, it needs to go through Content Review every two years.
Content Review Process	Content Review: CurricUNET is set up to generate a report for COURSE Content Review. The Office of Instruction is working to create a Content Review process for all programs, as well.
