Discussion Item:	
<p><b>New Discipline: Vocational Education</b></p>	<p>Dr. Celia Huston proposed adding Vocational Education to our disciplines. This discipline is considered an approved discipline at the State Chancellor’s Office and Crafton Hills College will be offering courses/programs under a similar category. Once this discipline is approved, the workforce development courses will housed here and Dean Albert Maniaol will take on this discipline under his division. There were no comments by the Committee Members, and the new VOCED discipline was approved.</p>
