*The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success.  
 Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.*

DISCUSSION ITEMS:	
<b>Diesel Commercial Truck Driving Certificate</b>	<p>The Diesel Department is requesting to create a commercial truck driving certificate that will allow students ranging from 18+. Though there is no current plan for offering the laboratory portion, the department is looking to partner with a company. Many places do not pay for the license, but will give them the knowledge to pass the DMV test for their permit.</p>
