5. Provide a specific example of how the instructor will provide synchronous office hours for distance education students? (Ex: Online Conference Tool, Cranium Classroom, Zoom, Pisces, Skype, etc.)

The instructor will provide synchronous office hours via zoom or using the chat feature in canvas.

6. Provide a specific example of how this course's design ensures regular and effective instructor-student contact? (Ex: Threaded discussion forums, weekly announcements, instructor prepared materials, posting video and audio files, timely feedback on exams and projects, synchronous online office hours, synchronous online meetings, synchronous online lectures, etc.)

Instructor to student contact will be done through the following: Threaded discussions, weekly announcements, instructor prepared materials, posting video and audio files, timely feedback on exams, homework assignment and projects assigned. If students need further information, they are free to contact the instructor through text, email and or call if necessary.

Provide a specific example of how this course will ensure regular and effective student-student contact?
 (Ex: Threaded discussion forums, assigned group projects, threaded discussions, Notebowl, peer-to-peer feedback, synchronous online meetings, etc.)

Student to student contact will take place weekly via threaded discussion questions, peer to peer feedback, synchronous meetings, and assigned group projects. Students are also encouraged to study in groups for quizzes and exams.

8. Describe what students in this online version of the course will do in a typical week on this class. Include the process starting after initial log in.

Read the weekly announcement. Read textbook. Complete modules pertaining to topical material, which include watching instructional videos and completing quizzes. Engage in weekly discussions by answering initial question and/or responding to peer responses. Join synchronous meeting and be prepared to listen to lesson, take notes, ask questions, and offer feedback.

9. Provide a sample statement that could be included in the syllabus for this course that communicates to students the frequency and timeliness of instructor-initiated contact and student feedback.

In this course students will be exposed to critical thinking regarding the Hospitality Industry, how it works, what jobs are available, what is expected from management and customers.

Modules are made available each week on Monday 12am and are due the following Sunday 11:59pm. Discussion topics will be posted Monday 12am and require an initial response by Thursday 11:59pm. If a student misses this initial response without prior excusal, I will attempt to contact them via message/email and arrange a face-time meeting. Peer responses are due by Sunday 11:59pm. We will have a synchronous meeting each week that requires participation, if you cannot make the initial zoom meeting, I will record the meeting for you to watch when you can. A textbook and a computer or smart phone is required for this course. The instructor will give feedback to each student during synchronous office hours daily however the student is unable to make it to the office hour then

students may email the instructor with questions and or concerns. Responses to email will be send within a twenty-four-hour time frame.

	four-hour time frame.	_		
10.	Provide a specific example of how regular and effective student-student interaction may	y occur in this on	line course.	
	Student to student interaction will occur via peer response to the discussion board top weekly threaded discussion questions, group projects and study groups.	oic. Synchronous	meetings,	
11.	Provide a specific example of how regular and effective instructor-student interaction course.	on may occur in	this online	
	Thoughtful and substantial feedback will be given weekly to every student's discussio and completed assignments. Synchronous office hours will be held Monday throug students. If students have questions and cannot meet within office hours, they are welconecessary. The student and instructor can also set up a chat within Canvas. Synchronous place weekly.	gh Thursday to i	meet with	
12.	Does this course include lab hours? ⊠ No ☐ Yes — If yes, how are you going to acco	mmodate the tyr	nical face to	
	face activities in an online environment?			
13.	How will you accommodate the SLO and Course Objectives in an online environment?			
	In the same manner as is done in a face to face course. Provide students with the material SLO and Course Objective. Build the online course to specifically lend the material Objectives so the students learn the information. Perhaps create specific assignments a group project that encompasses the SLOs and Course Objectives.	s to the SLOs a	nd Course	
	Are modifications needed to SLOs or Course Objectives in order to teach this course in	the online moda	lity?	
	 No ☐ Yes – If yes, please explain the changes needed. (It is advised that if you are changing course content or objectives that you speak with 	the Curriculum	Co-Chair or	
	Articulation Officer for guidance moving forward.)	the current	co chan of
