- 1. Please select the distance education method that describe how the course content will be delivered. Check ALL methods that will be used for offering this course, even if previously approved.**

- FO – Fully Online
- PO – Partially Online
- OPA – Online with In-Person Proctored Assessments
- FOMA – Fully Online with Mutual Agreement

- 2. In what way will this course, being offered in distance education format, meet the needs of the campus? (Ex: Student Access, Campus Strategic Plan, Campus Mission Statement, Online Education Initiative (OEI), Student Equity, Student Needs). Please be specific.**

The course meets the Student Access initiative by providing an alternative delivery method for students with obstacles meeting face-to-face; The course offered in DE format aligns with the college mission as both an alternative method and culturally diverse content. The course in an online format addresses student equity because it allows more students challenged by meeting face-to-face to take a sequential course on-line thus making progress toward the AA-T in Spanish. This is a required course for the AA-T in Spanish and an additional delivery method allows students a greater opportunity to fulfill the requirements.

- 3. Will this course require proctored exams?**

## DISTANCE EDUCATION ADDENDUM

5. Provide a specific example of how the instructor will provide synchronous office hours for distance education students? (Ex: Online Conference Tool, Cranium Classroom, Zoom, Pisces, Skype, etc.)

Instructor may hold synchronous office hour sessions using ConferZoom or Skype. Instructor may also incorporate Canvas tools such as discussion boards, Bulletin or Pronto to communicate with students synchronously. Instructor may use the telephone.

6. Provide a specific example of how this course's design ensures regular and effective instructor-student contact? (Ex: Threaded discussion forums, weekly announcements, instructor prepared materials, posting video and audio files, timely feedback on exams and projects, synchronous online office hours, synchronous online meetings, synchronous online lectures, etc.)

Instructor will make full use of Modules in Canvas providing students with weekly work including readings, assignments, quizzes and exams. Instructor may post threaded discussion forums asking students to incorporate material from the lessons and also to interact with one or more students in the thread. Announcements will be used along with email to communicate updated assignments and reminders to students. Instructor may record within Canvas and Zoom and make videos available to students within Canvas shells. Instructor will use the speed grading features in Canvas to provide feedback to students and post scores in a timely manner so students are able to see their progress in the course.
