

Course SLOs for CD126

1. Analyze theories of socialization that address the interrelationship of child, family and community
2. Assess the impact of educational, political, and socioeconomic factors on children and families
3. Describe social issues, changes, and transitions that affect children, families, schools, and communities.
4. Describe effective strategies that empower families and encourage family involvement in children's development
5. Identify and evaluate community support services and agencies available to families and children
6. Analyze one's own values, goals and sense of self as related to family history and life experiences, assessing how this impacts relationships with children and families.
