

## CRIMINAL JUSTICE

### POLICE 103

#### INTRODUCTION TO CRIMINAL INVESTIGATION

##### SLO 1:

Students will demonstrate the ability to accurately read and write basic terminology when analyzing the goals of a criminal investigation.

##### SLO 2:

Students will demonstrate and apply the ability to identify and understand basic components of a preliminary criminal investigation. Compare and contrast information regarding conducting an initial survey of a crime scene and crime scene search.

##### SLO 3:

Students will demonstrate the ability to accurately read and recognizing differences between styles of crime scene sketches/diagrams. Utilizing context and presented material to determine meaning and correctly identify such subjects as basic survey methods used for identifying location of evidence at a crime scene.
