

Laura Gowen

Admin Assist, Vice President of Instruction Office

3/15/11

District Employee of the Year:

Ben Gamboa

Purchasing Agent, SBVC District Office

It doesn't matter the time of day or day of the week, when any assistance is needed from Ben he is there willing to assist where he can. In trainings Ben has a great sense of humor on topics that could be very dry in nature. He is able to get his point across with ease and understand that we don't necessarily speak the same language as him or at the same level of understanding. No question is unnecessary or silly and he is able to lend guidance even though he may be able to take care of something quicker himself.
