Excellence Award:

Stacy Garcia, Admin. Secretary

President's Office

Whether it be the demonstration of understanding district policy, comprehension of budgetary procedures, or the ability to handle ringing phones and walkins all while meeting deadlines and keeping a smile on her face, our campus is lucky to have Stacy Garcia serving in the capacity she does. She has a way about doing her job with patience and confidence, never losing her temper with anyone. Through the years Stacy has worked throughout the district which makes her even more of an asset to the SBVC family. Stacy carries herself with dignity and is a friend to all, never speaking poorly of others or demeaning those who may not be on the same level of knowledge as she is.
