

**Spring 2019
Program Review Committee Review of
Conditional Reporting (from Spring 2018 efficacy review)**

Name of Department: Academic Advancement

Overall Recommendation:

Continuation Conditional Probation

Rationale for Overall Recommendation:

Following are recommendations made by the Program Review Committee:

SAOs: Moved to “meets” with the recommendation that *ACAD 606 needs to be accessible on the Cloud.*

Facilities: Moved to “meets.”

Previous “Does Not Meets”: Remained at “does not meet.” *Plans need to be more clearly presented.* The program will need to address this in its next efficacy cycle—spring 2022.
