

# Spring 2019 Program Review Committee Report Conditional Reporting (from Spring 2018 efficacy review)

**Name of Department:** Admissions & Records

**Overall Recommendation:**

Continuation       Conditional       Probation

## **Program Review Committee Response:**

The Program Review Committee reaffirmed the “conditional” rating based on the following:

**Demographics & Pattern of Service:** Moved to “meets.”

**SAOs:** Remained at “does not meet.” SAOs have not been addressed after two Program Review cycles. The department has made strides with the survey—which is a good first step. But the survey needs to be connected to SAOs. This is ultimately an Accreditation issue. The committee recommends that the department look at SAOs of other departments that are similar in order to construct the SAOs. The Program Review committee members are also available to assist.
